

**LIAISON TO LAW SCHOOLS
REPORT PREPARED FOR THE DECEMBER 3, 2006 COUNCIL MEETING**

1. 2006-2007 Budget Request

Request for approval of an annual budget of up to \$2,250, to be comprised of the following expenditures:

- a. Up to \$2,000 for a networking and informational event among the business law societies of each of the law schools and members of the Council (see below).
- b. Up to \$250 for incidental expenses associated with presentations at each of the law schools in connection with promoting the writing scholarship program.

2. Council Approval

Request approval of expenditure of up to \$2,000 for a networking and informational event among the business law societies of each of the law schools and members of the Council. The event, which is to be held in Metro Detroit in February or March, will be largely organized by the Wayne Business Legal Society. The event will provide an opportunity for them to meet members of our Section and learn about our upcoming events and programs.

3. Accomplishments Toward Objectives

- a. Fostered relationships with administrative and student leaders in each of the six law schools located in Michigan.
- b. Engaged in discussions with representatives of the Wayne Business Law Society to discuss hosting and funding a networking event for law school students and members of the Section.

4. Meetings and Programs

- a. Networking event for law school students and members of the Section for February or March, 2007.
- b. Planning dates for presentations to the business law groups at the various law schools in an effort to promote the writing scholarship program.

5. Publications

None.

6. Analysis of Applicable Strategic Plan Issues.

Continuation of activities to educate law students on the opportunities to participate in the Section and to enhance the involvement of attorneys in the Section.

7. Miscellaneous

None.
