

TECHNOLOGY DIRECTORSHIP

REPORT PREPARED FOR THE DECEMBER 2005 COUNCIL MEETING

Submitted by Michael S. Khoury

1. Budget Request for 2005-2006

No separate budget is required; approximately \$500 should be budgeted administratively for listserv costs.

2. Use of Budgeted Funds

Not applicable.

3. Next Scheduled Meeting of the Committee

Regular meetings are not scheduled.

4. Council Approval

None required.

5. Accomplishments Toward Committee Objectives

The Section web page has been monitored and updated on a regular basis. The new Strategic Plan Update, reports and Section activities are updated regularly by Terri Shoop. The Section web page remains an informational source, but without much substantive content. The one other part that is still lacking is information on Section events. All Committees and other groups are encouraged to provide information on events or meetings with enough notice to be able to provide publicity for "browsing" members.

6. Meetings and Programs

Not applicable.

7. Publications

The "Technology Corner" column in the *Business Law Journal* continues on.
