An Outline of Recently Passed Legislation From January 1 to December 31, 2004.

This outline is a summary of 2004 Legislation affecting the criminal justice system. Some of the public acts are short and simple, others are very complex. Because this outline is a summary, I may have occasionally used ambiguous terms, or not completely covered every aspect of the law. You should carefully review the complete text of any public act listed in this outline before taking action regarding that new law. The outline is divided into the following sections:

I. NEW CRIMES & PENALTIES

II. CRIMINAL PROCEDURE

III. TRAFFIC SAFETY

V. MISCELLANEOUS
