PERSONAL INJURY (CONTINUED)

Attention Plaintiffs' PI Lawyers!!!

Can you recognize an opportunity, and do you have the incentive to utilize it?

I am semi-retiring. After more than 47 years of practicing plaintiffs' personal injury law, I want to slow down (and smell the coffee).

I have an active and continuing source of business, and would like to arrange for referral of those potential cases, as well as to refer my existing case load to a competent law firm. I would also be interested in handling either contract work, or expert depositions which would benefit from my extensive science background and training.

If you are interested in exploring this opportunity, please call:
