

ENSURING ACCESS AND FAIRNESS FOR ALL IN THE JUSTICE SYSTEM

THANK YOU!

The State Bar of Michigan and the Michigan State Bar Foundation thank all Michigan attorneys who support access to justice. Providing pro bono legal services and financial donations for civil legal aid plays an essential role in offering help to those in need. Each year, the pro bono and financial contributions from Michigan attorneys make a significant impact toward increased access to justice.

The Voluntary Pro Bono Standard, as adopted by the State Bar of Michigan Representative Assembly, encourages Michigan attorneys to provide 30 or more hours of pro bono legal services each year or contribute a minimum of \$300 (\$500 for those whose income allows) to support civil legal services to low-income individuals. Many attorneys and law firms exceed those standards, and these recognition lists show the significant efforts of Michigan attorneys.

In Michigan, eligible pro bono and civil legal aid clients live below 200 percent of federal poverty guidelines. Almost 30 percent of all Michiganders are eligible to receive pro bono legal services based on their income levels, equating to more than 3 million people. However, only about 20 percent of the legal needs of the poor are met. The need for civil legal services far outweighs the resources available.

Supporting access to justice is a well-established tradition among many members of the legal profession. Many Michigan lawyers regard pro bono legal service and financial support for access to justice as much a personal endeavor as an aspirational obligation. In 2019, the Access to Justice Campaign experienced a 32 percent increase in donations from the legal community. While there is opportunity for growth, the State Bar of Michigan, the Michigan State Bar Foundation, and the Access to Justice Campaign thank the following Michigan attorneys, law firms, and corporations for their increased support and their effort to make access to justice for all a reality.

...make access to justice for all a reality.

2020 A Lawyer Helps Pro Bono Honor Roll

Honoring Lawyers' Commitment to Pro Bono Service

The Michigan attorneys and law firms appearing on the 2020 A Lawyer Helps Pro Bono Honor Roll represent thousands of hours of pro bono service provided in the 2019 calendar year, increasing access to justice for many low-income Michigan families. This year, the coronavirus pandemic, extensive flooding in Mid-Michigan, widespread social unrest, and other unprecedented challenges have increased the need for pro bono service. Thankfully, Michigan attorneys, even when faced with significant disruptions to their own lives, have continued the tradition of pro bono service, supporting access to justice, and helping those in need. Now more than ever, "A Lawyer Helps."

The Justice Initiatives Committee of the State Bar of Michigan is pleased to publish the second annual Honor Roll. The 2020 Honor Roll recognizes individual attorneys, solo practitioners, law firms, and corporations that support access-to-justice efforts by providing pro bono legal services to low-income individuals and families throughout Michigan.

Law firms and corporations that submitted an Honor Roll application and achieved a per-attorney average of 30, 50, or 100+ hours of pro bono legal services in 2019 are eligible for recognition on the 2020 Honor Roll. Individual attorneys and solo practitioners who submitted an Honor Roll application

and provided 30, 50, or 100+ hours of qualifying pro bono legal services in 2019 are also eligible for recognition on the 2020 Honor Roll.

For the 2020 Honor Roll, the pro bono service hours provided by more than 1,200 Michigan-licensed attorneys in 2019 were submitted to the State Bar. While most eligible attorneys wanted to be publicly recognized for their qualifying pro bono service, many attorneys did not want to be included on the published version of the Honor Roll and submitted their 2019 pro bono service hours to the State Bar for reporting purposes only.

For more information on pro bono opportunities in your area, please visit the State Bar of Michigan's A Lawyer Helps website at alawyerhelps.org. If you are interested in developing a pro bono policy for your office or firm or have questions about the Honor Roll, please contact State Bar Justice Initiatives Counsel Robert Mathis at rmathis@michbar.org or (517) 346-6412.

The 2021 Honor Roll application will be available in January 2021 at michbar.org/alawyerhelps

Pro Bono Honor Roll data is based on a calendar year.

Access to Justice Campaign

Access to Justice Campaign

The Access to Justice Campaign seeks to ensure access and fairness for all in the justice system. The ATJ Campaign is a collaborative centralized campaign, administered by the Michigan State Bar Foundation in partnership with the State Bar of Michigan, to increase resources for 15 regional and statewide civil legal aid programs in Michigan. The participating programs encourage legal community support through the ATJ Fund. The ATJ Campaign is pleased to publish and thank the legal community for its financial support through the following 2019 recognition lists.

- **Leadership Law Firm List**—45 firms are distinguished as Leadership Law firms for their giving in 2019. The giving levels include tiers at \$300, \$500, \$750 and \$1,000. The total amount includes both individual donations and firm donations.
- **Law Firm and Corporate Legal Departments**—Law firms of two or more attorneys and corporate legal departments are recognized on a tiered list based on total dollars given, including both individual gifts and firm/corporation gifts. For a firm to be included on the list, a minimum contribution of \$1,000 is required.
- **Individual Donors**—Individual donors and solo practitioners are recognized on a tiered list based on dollars given. Minimum contribution to be included on the individual recognition list is \$300.
