

ENSURING ACCESS AND FAIRNESS  
FOR ALL IN THE JUSTICE SYSTEM

# THANK YOU!

The State Bar of Michigan, the Michigan State Bar Foundation, and the Access to Justice Campaign thank Michigan attorneys, law firms, and corporations that support access to justice through pro bono legal services and financial donations. Both are essential to nonprofit legal aid organizations and families in need. While each year the pro bono and financial contributions from Michigan attorneys make a marked difference in closing the gap in access to justice, the efforts in 2020 were particularly significant for those whose homes, businesses, and safety were severely impacted by the coronavirus pandemic, extensive flooding in mid-Michigan, widespread social unrest, and other challenges.

The Voluntary Pro Bono Standard, as adopted by the State Bar of Michigan Representative Assembly, encourages Michigan attorneys to provide 30 or more hours of pro bono legal services each year or contribute a minimum of \$300 (\$500 for those whose income allows) to support civil legal services to low-income individuals. Many attorneys and law firms exceed those standards, and these recognition lists show the significant efforts of Michigan attorneys.

Supporting access to justice is a well-established tradition among many members of the legal profession. Many Michigan lawyers regard pro bono legal service and financial support for access to justice as much a personal endeavor as an aspirational obligation. Your generosity in both time and financial contributions supports the ongoing effort to provide free civil legal aid to low-income families.

*...make access to justice for all a reality.*

# 2021 A Lawyer Helps Pro Bono Honor Roll

## Honoring Lawyers' Commitment to Pro Bono Service

The Justice Initiatives Committee of the State Bar of Michigan is pleased to publish the 2021 A Lawyer Helps Pro Bono Honor Roll. The Honor Roll recognizes individual attorneys, solo practitioners, law firms, and corporations that support access to justice by providing pro bono legal services to low-income individuals and families throughout Michigan.

Law firms and corporations that submitted an Honor Roll application and achieved a per-attorney average of 30, 50, or 100 or more hours of pro bono legal services in 2020 were eligible for recognition. And new this year, law firms and corporations were eligible for recognition based on cumulative pro bono service hours provided in the 2020 calendar year at one of four tiers. Firm recognition based on total pro bono service hours was recently adopted by the Board of Commissioners. Although some firms may not have learned of the new recognition opportunity in time to appear in this issue of the *Michigan Bar Journal*, firms can still report their 2020 calendar-year pro bono hours by

visiting [www.alawyerhelps.org](http://www.alawyerhelps.org). The extended pro bono service reporting period closes on August 15, and eligible firms will appear on the online version of the 2021 Honor Roll and in periodic social media posts.

Individual attorneys and solo practitioners who submitted an Honor Roll application and provided 30, 50, or 100 or more hours of qualifying pro bono legal services in 2020 were also eligible for recognition on the 2021 Honor Roll.

For the 2021 Honor Roll, the State Bar received submissions from more than 1,200 Michigan-licensed attorneys who provided more than 42,500 pro bono service hours. While most eligible attorneys wanted to be publicly recognized for their qualifying pro bono service, many attorneys did not wish to be included on the published version of the Honor Roll and submitted their 2020 pro bono service hours for reporting purposes only.

The individual and firm applications for the 2022 Pro Bono Honor Roll, recognizing eligible pro bono service hours provided in the 2021 calendar year, will be available in early January. Please visit [www.alawyerhelps.org](http://www.alawyerhelps.org) for more information about the Honor Roll and pro bono opportunities in your area.

# Access to Justice Campaign

The Access to Justice Campaign seeks to ensure access and fairness for all in the justice system. Administered by the Michigan State Bar Foundation in partnership with the State Bar of Michigan, the ATJ Campaign is a collaborative centralized effort to increase resources for 15 regional and statewide civil legal aid programs in Michigan. The participating programs encourage legal community support through the ATJ Fund. The ATJ Campaign is pleased to publish and thank the legal community for its financial support through the below 2020 recognition lists. The lists include the following:

- **Leadership Law Firms** — 51 firms are distinguished as leadership law firms for their giving in 2020. The giving levels include tiers at \$300, \$500, \$750 and \$1,000. The total amount includes both individual donations and firm donations.
- **Law Firm and Corporate Legal Departments** — Firms of two or more attorneys and corporate legal departments are recognized on a tiered list based on total dollars given, including both individual gifts and firm/corporation gifts. A minimum contribution of \$1,000 is required for a firm to be included on the list.
- **Individual Donors** — Individual donors and solo practitioners are recognized on a tiered list based on dollars given. The minimum contribution for inclusion on the individual recognition list is \$300.
