

## DIVERSITY AND INCLUSION ADVISORY COMMITTEE

**Sunday, April 19, 2020**

Hotel St. Regis, 3071 W Grand Blvd, Detroit, MI 48202

The annual Brunch for Bars is an opportunity to network with affinity and local bars. This year, we will focus on **"Pathways to the Profession."**

To improve the diversity of the legal profession, we need to provide more people with diverse backgrounds with equal opportunities for success. Barriers and challenges along the path to success threaten individuals' completion of the journey. We'll be discussing and identifying strategies to address this important issue.

Come for the brunch and stay for the robust discussion.

**PLEASE** ***RSVP HERE***
