Re: Filing Fee changes pursuant to Public Act 532: MCL 600.2529 (1)(d)

Please be advised that Circuit Courts are now required to collect an additional fee, **at the time of filing**, for cases that require decisions pertaining to custody, child support or parenting time of a minor child. This requirement has been in effect since April 14, 2015.

The fee is due at filing and must be collected regardless of whether an order enters. See MCL 600.2529 (1)(d).

In order to insure that Circuit Court Records office can continue to process such new cases in a timely manner, please take care to include the additional fee, along with the original filing fee, at the time of initial filing.

Thank you very much for your attention to and assistance in complying with the aforementioned rules.

Circuit Court Records' staff seeks to serve you effectively and efficiently.
