Re: 2013 Law Day Contest

Dear Samantha:

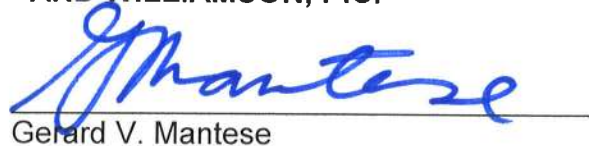

Enclosed are a DVD and a thumb drive, encompassing our submission for the 2013 Law Day Contest, as well as entry form and consents. Our submission is entitled, "Murphy's Dissent - Korematsu v United States."

As you will see, 20 Cranbrook Sixth Graders created, wrote and acted a 34 minute movie discussing the United State's internment of Japanese-Americans during WW II, and Justice Frank Murphy's famous dissent from the majority Supreme Court opinion upholding this internment. The girls worked on this project for 2 ½ months. Please let me know if you cannot open the drive or view the DVD and we will get this material to you in a different format.

Thank you!

Sincerely,

**MANTESE HONIGMAN ROSSMAN
AND WILLIAMSON, P.C.**
