Support

Explanation:

The Animal Law Section supports HB 4784, which would amend the Michigan Penal Code to provide more explicit standards for what constitutes appropriate shelter for dogs (and tie-barred bills HB 4785 and HB 4786, which update related cross references in other Acts). The proposed amendments give law enforcement additional guidance as to what will and will not constitute adequate shelter for dogs, with a focus on maintaining the animal in a state of good health, particularly when outdoors in extreme weather conditions.
