Support

Explanation:

The Animal Law Section supports SB 103, SB 104, and SB 105. These tie-barred bills would amend the Michigan Natural Resources and Environmental Protection Act to provide for licensing and regulation of commercial hunting and sport fishing guides and would give the Natural Resources Commission exclusive authority to regulate sport fishing. The Natural Resources Commission is in the best position to provide regulation and oversight of Michigan's fish and wildlife for the benefit of Michigan residents under the Public Trust Doctrine, to which the Department of Natural Resources subscribes

(https://www.michigan.gov/documents/dnr/Wildlife_GPS_Strategic_Plan_434049_7.pdf). These bills provide for appropriate regulation of commercial hunting and sport fishing guides, including prohibiting anyone convicted of a felony or a violation regarding the taking of fish and wildlife from obtaining a guide license for a three-year period.
