**Explanation of the position, including any recommended amendments:**

This joint resolution proposes an amendment to the state constitution of 1963, by adding section 28 to article I, to recognize a right to hunt, fish, and harvest wildlife.

The council opposes this resolution. Only a small percentage (estimated at 15 percent) of the state population hunts. This resolution would single out for special recognition, and enshrine among Michigan citizens' basic rights, a consumptive pastime that harms our state's natural resources and is enjoyed by a small population of people. All Michigan residents already have the opportunity to legally hunt, fish, and harvest wildlife; there is nothing to be gained by elevating it to a Constitutional right.
