

**HCLS Annual Meeting 2008**  
**Technology Roundtable Suggested Topics**

- E-prescribing (Materials from 9/3/08 e-prescribing teleconference are available)
- Telemedicine: MIPAA 2008 added skilled nursing facilities; hospital-based or critical access hospital-based renal dialysis centers (including satellites); and community mental health centers to the list of eligible originating sites for telehealth services that Medicare will cover/reimburse. (What impact will the expanded sites have on healthcare in northern and rural Michigan?)
- Electronic medical records
- Personal health records ("PHR") (How do you know the records are accurate?)
- Data mining and managed care contracting (Who owns what data?)
- HIPAA Security compliance and enforcement (Copies of recent Resolution Agreement are available)
- H.R. 6357, the "Protecting Records, Optimizing Treatment, and Easing Communication through Healthcare Technology Act of 2008" (Copies of Committee and Blues press releases are available)
