### **CLS CHARITABLE FOCUS**

As many of you are aware, we have agreed to partner with U of D Mercy Law School in the Wheels of Justice program. While still in its formative stages, the intent of the program is to offer pro bono legal services to the needy via a "mobile" office. That is, volunteers will travel throughout the city and make themselves available to give advice and counsel regarding legal matters. We are forming a subcommittee to chart the CLS's involvement and ask anyone who might be interested to contact the Hon. Paul S. Teranes at [pteranes@concentric.net](mailto:pteranes@concentric.net).
