AIMS AND PURPOSES

The aims and purpose of this Association are:

1. To establish and promote cooperation and common interests among its members.
2. To promote a high standard of integrity, honor and ethics; to cultivate a spirit of community and good will; to utilize the support of the membership in promoting the general welfare of the community.
3. To promote respect and recognition for the Italian-American in the community; to assist and enhance the just objectives

of our brothers, sisters and society, and in general labor, business, industry, professions, government and education, economically, socially, politically and theologically.

4. To object to and resist with all means available to us the unjust vilification of the Italian name in literature, movies, television and other media.
