

*“The Richard L. Steinberg Memorial Fund was established to help defray the cost of treatment of mental health and substance use disorders for our members. To the best of my knowledge, information, and belief, it is the only—and I repeat, only—program associated with the State Bar of Michigan which actually provides financial assistance to lawyers in need of treatment but can’t afford it.”*

—Hon. Wallace Kent, Jr., LJAC Chair

Please join us for a golf scramble and picnic complete with valuable door prizes. Get a foursome together or get matched up on the day of the event. Come out for fun and food to support the Richard L. Steinberg Memorial Fund. The cost of golf (\$30) is not tax deductible, but the remaining balance (\$45) is deductible. For those interested in attending but not golfing, the entire donation will be deductible. A donation in any amount is appreciated. Checks should be made out to the Brighton National Addiction Foundation, and in the memo section “R. L. Steinberg Fund” should be noted. To pay by credit card, please contact Maya McElroy at 810-225-2531.
