

# TRANSFER OF MBE SCORE FROM ANOTHER STATE INTO MICHIGAN

**INSTRUCTIONS:**

Upon completion of the top portion of this form, it should be forwarded to the jurisdiction from which you wish your MBE score to be transferred. Note that Alabama, Arizona, Colorado, Connecticut, District of Columbia, Illinois, Kansas, Maryland, Minnesota and Missouri, require the National Conference of Bar Examiners to release MBE scores. For those jurisdictions, the applicant, in addition to filling out this form and sending it to the appropriate jurisdiction, must request the National Conference of Bar Examiners to certify the scaled MBE score to Michigan. The NCBE requires a fee of \$25 for certifying a MBE score to the Michigan State Board of Law Examiners. To request a certified MBE score from the NCBE, go to: [www.ncbex.org/multistate-tests/mbe/services/transfers](http://www.ncbex.org/multistate-tests/mbe/services/transfers).
