The screenshot shows the CasemakerElite website interface. At the top, there is a navigation bar with links for "Signup - CasemakerElite^{BETA}", "My Casemaker", "Sign Out", "Live Training", and "Tell Us". The "CASEMAKER" logo is on the right. Below this is the SBM (State Bar of Michigan) logo and the "CASEMAKER 2.2TM" logo. A dark blue navigation menu contains "Home", "State Libraries", "Federal Libraries", "Legal Forms", "CasemakerDigest", and "Help". The "State Libraries" menu is expanded, showing "Michigan" and "Print". Below the menu, the "Michigan Library" section is visible, featuring a grid of search categories: Administrative Code, Case Law, Federal Court Rules, State Court Rules, Attorney General Opinions, Constitution, Session Laws, and Statutes. A "MultiBook Search : Currency" option is also present. Three callout boxes provide instructions: "1. Choose your library." points to the "State Libraries" menu; "2. Choose your search area." points to the "Michigan Library" section; and "3. Need help? Sign up for live training." points to the "Live Training" link in the top navigation bar.
