State Bar of Michigan Lawyer Referral and Information Service Rules

Revised October 1, 1997

Rule 1—Purpose and Scope

The purpose of the Lawyer Referral Service Committee is to assist the public in selecting the most appropriate resource for assistance with legal problems. This assistance may include referrals to private attorneys, government agencies or other appropriate programs.

Rule 2—Establishment of the LRS Committee

The Committee shall consist of at least six members. The President of the State Bar shall appoint all members. The Committee should encourage member participation which is representative of each geographic region within this state.

Rule 3—Powers and Duties of the LRS Committee

The statewide LRS program will be operated under the general supervision and control of the LRS Committee of the State Bar. The Committee shall draft and adopt internal rules for the operation of the statewide LRIS.

Rule 4—Eligibility Requirements and Conditions of Panel Membership

4.1—State Bar active members in good standing shall be eligible to register for the Lawyer Referral and Information Service panel.

4.2—Panel members must be engaged in the private practice of law on a full time basis and must maintain a law office suitable for reception of clients during normal business hours.

4.3—All panel members must carry professional liability insurance in an amount not less than \$100,000 per occurrence and \$300,000 aggregate to participate in the State Bar LRIS and must provide a current copy of the insurance policy certificate. Expiration of insurance will automatically suspend a panel member from service, until the renewed information is submitted.

4.4—A panel member may elect to accept referrals in any field of law in which the member is competent, in accordance to the *Michigan Rules of Professional Conduct; Rule 1.1*. Election is done by designating on the Registration Form areas of practice in which the lawyer is willing to take a referral.

4.5—Fee disputes with referral clients shall be submitted in writing to a fee arbitration or mediation program consistent with the *Michigan Rules of Professional Conduct*.

4.6—Panel members may not unreasonably refuse to accept an initial consultation appropriately referred by the LRS and those panel members declining two consecutive referrals will be placed at the end of the rotation list. A panel member's habitual refusal to accept referrals may justify removal from participation in the LRIS, as provided in Rule 4.8. Acceptance of a referral for initial consultation in no way obligates a panel member to provide services beyond the initial consultation.

4.7—A panel member may request in writing to be temporarily suspended from the service due to sickness, vacation, leave, etc.

4.8—If, in the Committee's opinion, there is reasonable cause to believe a panel member has violated LRIS Rules, policies or regulations, the Committee may remove the member or take such lesser action as it deems appropriate, provided that notice is given and a hearing is held.

4.9—Upon receiving confirmation that a complaint has been filed against any member of the LRIS Panel in a Court of record or that a grievance has been filed against any member of the panel, the Committee may elect to suspend such member during the pendency of the complaint, provided that notice is given and a hearing is held. If such suspended panel member's privilege to practice law is not impaired upon termination of a proceeding involving the complaint, such member shall be reinstated for any balance of the term covered by the registration fee last paid.

4.10—The fee for an initial consultation with a referral client shall be no more than \$20 for the first thirty minutes, and not subject to the percentage fee provision in Rule 4.12. The initial consultation fee is subject to change as established by the LRS Committee. All other fees beyond the initial consultation are to be discussed and decided between the panel member and the client in accordance with the *Michigan Rules of Professional Conduct; Rule 1.1*.

4.11—Panel Members shall pay an annual registration fee of \$75. This annual registration fee is subject to change as the LRS Committee establishes.

4.12—Any referral received by a panel member generating an attorney fee of \$250 or more, the member agrees to remit ten percent (10%) of the fee to the LRIS office within ten (10) working days of receiving the quarterly report from the LRS.

4.13—Members shall comply with all reporting requirements imposed by the LRIS, including but not limited to the submission of quarterly case status reports within the time specified and upon the forms provided by the LRIS. Any panel member who fails to comply with such reporting requirements may be suspended upon ten (10) days written notice but without a hearing, at the discretion of the LRS Committee.

4.14—No panel member may transfer a referral to another lawyer. Any panel member who violates this rule shall be liable to the LRIS in the amount of ten (10%) percent after a \$250 fee has been recovered by the lawyer to whom the transfer was made or any other subsequent transferee. The foregoing prohibition shall not prevent a panel member from utilizing another lawyer as co-counsel, if required by the panel member's professional responsibility to the client; however, a panel member who utilizes co-counsel will be liable to the LRIS for ten percent (10%) of all attorneys' fees recovered by both the panel member and co-counsel, and such panel member shall give written notice of this requirement to co-counsel, at the time the co-counsel relationship is established. Any panel member who fails to comply with such reporting requirements may be suspended upon ten (10) days written notice but without a hearing, at the discretion of the LRS Committee.

4.15—When a referral is made, the LRIS will send the participating lawyer a referral report. A copy of this report must be returned to the LRIS after the initial consultation with the client, or 30 days after the date of the referral, whichever comes first. The information requested in the referral report is limited to data necessary to operate, improve, and evaluate the LRIS and shall in no way require the panel member to violate the client-lawyer privilege. A record of referral reports submitted by panel members will be maintained by the LRIS.

4.16—A lawyer desiring to withdraw from the service must notify the LRIS in writing.

Rule 5—Operations

5.1—Day-to-day operations shall be under the general supervision and direction of the State Bar Associate Executive Director—Local Bar Liaison and Lawyer Referral Service and the Director—Lawyer Referral Service.

5.2—Referrals to panel members shall be made on an impartial, rotation, county-by-county basis.

5.3—All calls will be screened by an LRS Associate who will determine the general nature of the caller's legal situation and the locality in which the callers needs legal assistance.

5.4—A referral may be made to a caller who has already retained a lawyer but is desiring a second opinion, only if the panel member is made aware of this fact in writing.

5.5—If it is ascertained that a caller requires a referral in a county serviced by a Local LRIS registered with the State Bar of Michigan pursuant to *MRPC 6.3*, the caller will be referred to the Local LRIS unless the caller specifically request otherwise.

5.6—Confirmed referrals from a Local LRIS will be serviced by the State Bar of Michigan's LRIS.

5.7—The service will be publicized statewide in a manner which fulfills its objectives and is in accordance with ethical standards of the legal profession. However, the service will not be publicized via the National Yellow Pages in those counties serviced by a local LRIS.

Rule 6—Rule Amendments

6.1—The LRS Committee may, by majority vote, recommend to the Board of Commissioners amendments to these Rules and the Board may amend these Rules at any time.
