

In the Capitol

Up-to-the minute news on state legislative hearings and events. Find relevant committee meetings scheduled for the current week, including the House Judiciary and Senate Judiciary committees, and the House Criminal Justice committee. Committee agenda items are listed and briefly summarized. Includes links to complete meeting agendas.

In the Hall of Justice

Breaking news from the Michigan Judiciary, including press releases from the Supreme Court, synopses of cases before the Court, notices of administrative public hearings, and related news articles.

At the Bar

The latest policy news from the State Bar. Find press releases, decisions from the Representative Assembly and Board of Commissioners, and updates on current activities undertaken by leadership on behalf of the Bar.

Sections & Committees

A spotlight on the public policy work of Sections and Committees, with particular emphasis on positions taken on proposed court rules, administrative orders, and legislation.

Federal News

National public policy news of particular interest to subscribers. Includes hyperlinks to complete articles.

State News

State public policy news of the past week of particular interest to subscribers can be found here. Includes hyperlinks to complete articles.

Court Rules and Administrative Orders

Newly published proposed rule amendments, administrative orders, and other actions taken by the Michigan Supreme Court, as well as new positions taken by the State Bar or its Sections. Includes pertinent information, a short summary, and hyperlinks.

Legislation Introduced

Bills introduced during the previous week of interest to the profession as a whole and arguably within the limitations of Administrative Order 1993-5, defining the limits of State Bar ideological activity. Includes pertinent information, a short summary, and hyperlinks.
