Support and Amend

Explanation of the position, including any recommended amendments:

SB 521 changes the Friend of the Court enforcement procedure from court Orders to Show Cause to attorney issued subpoenas to appear in conjunction with enforcement motions. This eliminates the illusion that the court is meaningfully reviewing the issuance of OSCs. The bill also requires the court to assess FOC costs of enforcing spousal support against the payer.

The Family Law Section supports this bill, but proposes that it be amended to make the process for enforcing support and enforcing parenting time the same, and to make the assessment of spousal support enforcement costs permissive, rather than mandatory.
