

Conference Call Information for Sections

The State Bar of Michigan has a contract with InterCall to provide teleconferencing services for all the sections. Every Section has a permanent 800 teleconference number and password. These teleconferencing phone numbers and passwords are permanent.

Web conferencing is also available through InterCall's services.

If you wish to schedule a teleconference call for your section council, please contact Doreen Dobias via email at ddobias@mail.michbar.org. Her direct number is 517-346-6314.

Doreen will send out an email to the council members notifying them of the time and date of the teleconference meeting and, will provide instructions for placing the call.
