

APPELLATE PRACTICE

Acknowledgments

This issue of the *Michigan Bar Journal* offers practical and thought-provoking articles to serve general practitioners and appellate specialists alike. The articles span the spectrum from the initial stage of appellate strategy through oral presentation to the Michigan Supreme Court. I thank these preeminent appellate specialists for their gift of time and effort, not only for their immediate contribution to this issue, but also for their many years of dedication to the State Bar of Michigan Appellate Practice Section and its council. A very special thank you is given to Professor Elmer White, who served as my co-editor on this issue. His gracious humor, encouragement, and guidance were invaluable.

This issue is dedicated to the memory of our beloved and esteemed colleague, Kathleen McCree Lewis, whose outstanding professional accomplishments go unrivaled, and whose enthusiasm and unlimited energy helped create and lead the Appellate Practice Section. Her professional contributions, her personal and professional integrity, and her charismatic personality and wit were instrumental to making this a thriving and viable section. Kathleen will be missed, but never forgotten.
