Inspiring CLE and Valuable Networking at Your Annual Meeting

Successfully navigate the challenges and opportunities facing the legal profession today and in the future. Find and keep clients and save time and money with world-class technology and practice management advice. Plus, build your confidence by staying up-to-date on the latest trends in your practice areas. Get this and the latest news from your section at the annual SBM activities, section meetings, and networking events.

Gain Valuable Skills in These Four Areas:

Substantive:

- Advise your clients on employee discharge best practices
- Identify client behaviors that signal potential capacity issues
- Implement appropriate e-discovery preservation policies to fit your case budget
- Draft customizable durable powers of attorney, no matter your client's needs
- Explain collateral sentencing consequences to your high school criminal defendants

Marketing/Law Practice Management:

- Use the science of decision making to influence clients and opposing counsel
- Develop presentation skills to better connect with judges, jurors, and clients
- Adopt strategies that elevate your brand and increase business

Starting a Law Practice:

- Determine action steps to make your practice even more responsive to client needs
- Analyze and correct work/life factors that hinder law firm productivity
- Set up effective office communication protocols while maintaining appropriate client boundaries

Technology:

- Solve Microsoft Word formatting issues to increase efficiency
- Identify cost-saving Acrobat functions for your law practice
- Implement paperless office practices to make finding documents a breeze
- Apply security measures to ensure client confidentiality across all your devices

Invited speaker Richard Solomon is set to speak to section members and other interested SBM members on franchisee due diligence issues. The term "franchisee due diligence" refers to the invitation and evaluation of actual and potential franchise opportunities. Mr. Solomon has practiced franchise law for more than 50 years, during which time he has written numerous articles on many franchise law and practice subjects. Attorneys representing franchise businesses and prospective franchisees will have an opportunity to ask questions and offer comments.

Program

Collateral Consequences of Juvenile Adjudications

This program is sponsored by the Criminal Issues Initiative, Children's Law Section, and Criminal Law Section. Youth involved in the juvenile justice system often face issues and challenges that extend beyond the confines of the courtroom. A panel of experts will explain how juvenile adjudications may impact a child and family long after a juvenile court case is closed. Public housing, immigration, employment, current legislation, and other topics will be highlighted in this exciting presentation.

Vendor Presentations

Schedule as of August 1, 2015

This year, attendees will have an opportunity to hear directly from vendors about current trends in the industry. Presentations may include demonstrations of the hottest new products and technologies, as well as new strategies that will impact the way you do business. Don't miss this great new feature! Presentations will be located on the exhibit hall floor in the vendor showcase area during exhibit hall hours.
