

SBM STATE BAR OF MICHIGAN

Student Tips

- Dress for success, just as you would if going to court.
- Use a professional video background or make sure that your work space is not distracting.
- Be prepared to interact with the mentors.
- Keep your camera on. You will be muted when in the main room and unmuted if you raise your virtual hand to speak.
- Raise your virtual hand when you want to ask a question. You will not be called on unless your virtual hand is raised.
- Chat will be open for Q&A. Please feel free to ask your questions in the chat.
- When polls are launched, please participate. If you do not see a poll, please message Tech Help in the chat.
- **You will be prompted to enter a breakout room for jet-mentoring. When this happens, please accept the prompt.**
- Breakout rooms will open in a new Zoom window and it might take up to a minute to transfer from the main room to a breakout room.
- Each breakout will be timed for 10 minutes and mentors will move from room to room.
- Students will stay in one breakout room. We will broadcast a one minute warning when a session is about to end.

Questions to Aid in Discussion

- What do you want to do after graduation?
- What profession or career are you interested in?
- How have you been preparing for success?
