The primary work of the Standing Committee on Character and Fitness (SC) is to investigate and make recommendations with respect to the character and fitness of every applicant for admission to the bar by bar examination, as well as some applicants for admission without examination when designated by the Board of Law Examiners (BLE). This work is accomplished with the assistance of assigned State Bar Staff and the District Character and Fitness Committees (DC). One business-type meeting may be held during the year to address policy issues and train new members, if deemed necessary by the Chairperson.

The SC members review recommendations submitted by the DCs, conduct confidential applicant hearings, and make recommendations to the BLE. The bar exam is administered by the BLE twice annually, and each first time examinee must complete an Affidavit of Personal History and submit all required background information. There were 814 examinees who filed Affidavits of Personal History for the July 2017 and February 2018 examinations. Applicants must be re-certified if the original application is over three years old and the applicant has not been successful on the bar examination, which involves submitting to another complete investigation.

An applicant is recommended favorably to the BLE without referral to the Committee when investigation of past conduct discloses no significant adverse factual information. In all other instances, applicants are referred to a DC for personal interview. Approximately 200 members of the Bar volunteer to serve on the nine DCs. The DCs issue a written report and recommendation on each applicant interviewed to the SC. Upon receiving a DC recommendation, the SC may: endorse the recommendation, take the recommendation under advisement pending additional information, remand the recommendation with instructions for further proceedings, or reject the recommendation and conduct a hearing de novo. All recommendations are ultimately transmitted to the BLE for final action.

The District Committees conducted interviews for 49 applicants between April 1, 2017 and March 31, 2018. To date, 2 files have been referred for DC interviews for the February 2018 exam cycle. It is expected that up to 27 additional files may be referred prior to August 1, 2018, based on the information received to date. New member training for DC members was conducted on March 21, 2018, by members of the SC and SBM staff, and was attended by 39 new members.

From April 1, 2017 - March 31, 2018, the Standing Committee conducted 28 formal hearings before making recommendations to the BLE. Additionally, 25 applicant matters are currently on the hearing docket, and scheduled or expected to be conducted during the remainder of the fiscal year. Six hearings before the BLE were also conducted during this time frame, which required the presence of a member of the Committee acting as assigned State Bar Counsel, as well as a member of the Character and Fitness Department Staff. New member training for Standing Committee members was conducted on October 20, 2017, by members of the SC and SBM staff, and was attended by 6 new members.
REPORT Future Goals and Activities:

State Bar and Board of Law Examiners staff have been involved in automation to the Admissions process for the last several years, using a three phase plan. Phase 1 was finished effective with the February 2016 exam that enabled completed applications and payments to be submitted to the State Bar’s eCommerce site.

Phase 2 is in progress and involves the development of an Applicant/SBM C&F Department/BLE Staff communication portal and database. These enhancements will further improve efficiencies in communication regarding an application. The portal will be accessible to applicants at their convenience and will allow them to check on the status of their application, including to confirm documents received and outstanding, and update their contact information without emailing or letter. Through the portal system, BLE Staff will be able to see the status of applicants in the C&F process (such as recommended for approval, closed for non-cooperation, referred to district committee, etc) to improve communication efficiencies. The portal will also allow applicants and third parties to upload documents, which will reduce processing lag time due to pending documents. The portal will allow State Bar Staff to enhance efficiencies when sending computer generated letters to third parties, among other things. Developmental efforts to complete phase 2 were delayed due to the need to transition the Affidavit of Personal History to the State Bar’s server from the National Conference of Bar Examiners’ server (NCBE), requiring programming development within a very narrow period of time.

Phase 3 will involve further enhancements to the portal to improve efficiencies in the hearings process via the electronic communication process and data sharing.

A request for an increase in the investigation fee is currently pending before the Michigan Supreme Court; fees were last raised in 2001. The increase was requested to reduce the amount of member dues currently being allocated to the Character and Fitness process.
Other Information:
In addition to any other important information, please indicate the titles of any workgroups or subcommittees, and attach their annual report as an addendum.

In addition to conducting hearings, from time-to-time the Committee also designates Subcommittees to study and make recommendations regarding issues relevant to Bar Admissions when necessary. Members of the Outreach Subcommittee, an ongoing Subcommittee studying ways to further educate the law student community about the upcoming character and fitness process, give presentations when requested to do so by law school faculty.

The time commitment required to conduct formal hearings, including hearings spanning multiple days, establish policies, address individual applicant requests, and monitor the applicant processing system is significant. The Committee would be unable to function without the dedication, professionalism, and hard work of the members of the District Committees and the Advisor Members of the Standing Committee. It is a tribute to the legal profession that among its members are so many people who give substantially of their time to ensure that persons admitted as lawyers in Michigan are worthy of public trust.

Resources provided by the State Bar of Michigan in support of committee work:

The State Bar of Michigan provides the services of the Staff Liaison(s) to report on LJAP’s activities and assist in leading the meeting, reserving a room, phone and sound system for the purpose of facilitating a conference call for those committee members who cannot attend in person, a meal, administrative services by the LJAP Clinical/Administrative Assistant, email notification of scheduling of the meeting, emailing of agendas and minutes after the meeting. The State Bar of Michigan provides all administrative functions in support of the committee throughout the year.
Committee Activities and Strategic Goal Accomplishments:

Please list each accomplishment/activity, and indicate which strategic plan area it supports by checking the corresponding boxes.

- **LJAC supports LJAP in outreach efforts to teach law students about healthy stress management, and the dangers of leaving substance use disorders and mental health conditions untreated. Members of the Committee make connections with legal educators and advocate for educational presentations.**

- **LJAC works to sponsor fun events for students and members that are alcohol free and include healthy activities.**

- **LJAC regularly communicates with other SBM Committees and regulatory entities about the education, information, consultation, assessments and monitoring agreements provided by LJAP to Michigan law students, lawyers and judges. An emphasis is placed on being fit to practice law, mentally and physically.**

- **During the past year a working group composed a communication to the Character & Fitness Committee to inform that committee of all that LJAP has to offer.**

- **ABA Model Rule of Professional Conduct 8.4 requires lawyers to obey the Rules of Professional Conduct. Substance use disorders, mental illness, and extreme stress reactions left untreated can result in lawyers violating their ethical responsibilities. LJAC through its support of LJAP provides attorneys in need of therapeutic intervention a diversion plan that can result in discipline being private and recovery being established. In this function this Committee educates about ethical rules and regulations and assists those who have been grieved to establish recovery and take responsibility for any errors they have committed.**

REPORT Future Goals and Activities:

The Lawyers & Judges Assistance Committee through the Lawyers and Judges Assistance Program under Goal 1 of the 2017-2020 Strategic Plan contributes to the resources provided by SBM to help new lawyers be practice ready, professionally and personally by managing stress in a healthy manner. Our educational outreach helps new lawyers recognize that help is available to them if they find themselves overwhelmed by a behavioral medicine condition. In this effort LJAP supports each new member’s ability to develop professional competence.

Through its monitoring agreements and coordination of efforts with the Attorney Grievance Commission and Attorney Discipline Board LJAP contributes to the regulatory goal described in Goal 3 of the 2017-2020 Strategic Plan. The availability of contractual probation offers attorneys a diversion program that allows them to keep their discipline private if they successfully complete a monitoring agreement with LJAP.

It is the goal of LJAC to educate Michigan attorneys about the availability of specialized help through programming at LJAP.

Resources provided by the State Bar of Michigan in support of committee work:

The State Bar provides staff support via the administrative assistance of a paralegal and two staff counsel who provide legal services and manages the State Bar’s UPL Department.

The State Bar also provides meeting facilities, food and beverage for meetings, SBM Connect, teleconferencing services, meeting materials, document production services, and a small budget to support the UPL Committee’s community outreach projects. In addition, the State Bar staff provides informational pamphlets to SBM members, the general public, and to other institutions serving the public to educate the public and legal profession about the UPL.
Committee Activities and Strategic Goal Accomplishments:
Please list each accomplishment/activity, and indicate which strategic plan area it supports by checking the corresponding boxes.

On October 11, 2017, as a result of the community outreach planning efforts of the UPL Trust Mills Subcommittee, the UPL Committee in conjunction with the SBM Probate and Estate Planning, Elder Law and Disability Rights, and the Consumer Law Sections presented the “Who Should You Trust?” seminar at 136 senior centers in 51 counties across Michigan to warn about estate planning scams and “trust mills” and provide practical estate planning information. This was a substantial expansion of the program first done in August 2012, at 28 senior centers, in 9 counties across Michigan.

Through its Subcommittee structure (see list under other information), the UPL Committee continues to prepare public and member educational materials on hot topic UPL subject matters and explore opportunities to participate in and/or develop meaningful outreach programming in partnership with relevant Sections and other professionals.

The UPL Committee routinely reviews UPL complaints to determine follow-up needed, if any, and to make recommendations regarding matters that may require litigation to resolve.
REPORT Future Goals and Activities:

The Committee is scheduled to meet on April 26, 2018, and July 26, 2018. The UPL Subcommittees develop their meeting schedules during the bar year based on ongoing projects.

The Committee will continue its focus on developing educational resources to further its goal of informing the public and SBM membership on UPL concerns. The Committee is actively using the "gold standard" senior education program, "Who Should You Trust?," to develop comparable outreach programming around its other subcommittee structure in partnership with SBM Sections and other relevant professionals.

In addition to any other important information, please indicate the titles of any workgroups or subcommittees, and attach their annual report as an addendum.

Other Information:
In addition to any other important information, please indicate the titles of any workgroups or subcommittees, and attach their annual report as an addendum.

This is the first year for this committee. The committee is largely composed of former members of the Justice Policy Initiative, Criminal Issues Initiative, and the Domestic Violence Committee, as well as a number of new members.

The committee considers a wide breadth of public policy items, including criminal, civil, domestic relations, and juvenile issues. The committee has been able to review a large number of public policy items due to the members' commitment to the committee and preparedness for meetings. Prior to committee meetings, the committee assigns liaison teams tasked with researching a particular public policy item and presenting a recommendation to the committee during the meeting. The liaison reports have been thoughtful and thorough, which is ultimately reflected in the quality of the committee’s recommendations to the Board.

The diversity on the committee has also contributed to many thoughtful discussions on public policy items.

The committee continued to advocate for a number of court rule amendments that it had proposed and the RA approved. For ADM 2014-29, the committee created a compromise position between its original position and an alternative proposed by MDJA and MCBA. The Court adopted this compromise rule proposal, which will be effective on May 1, 2018. For ADM 2016-20, the committee continued to advocate for changes to MCR 8.119 concerning the sealing of documents. For ADM 2016-19/2016-28, the committee continued to advocate for changes to MCR 5.125(C)(23).

COURT RULE AMENDMENTS
The committee reviewed a number of court rule proposals and made recommendations to the Board, including
-- ADM 2002-37: electronic filing procedures;
-- ADM 2016-25: appellate appendices;
-- E.D. Mich Local Rule 5.3: civil materials filed under seal

LEGISLATION
HB 4754: inter-circuit concurrent jurisdiction plans;

The committee will continue to review and take positions on relevant reactive public policy items. In addition, the committee will continue to advocate for proactive public policy as issues arise, including proposing court rule amendments to the Representative Assembly. The committee is currently exploring a rule proposal that would require a client to sign responses to discovery requests, including requests to admit and requests for production of documents, as is already required in interrogatory responses.
Other Information:
In addition to any other important information, please indicate the titles of any workgroups or subcommittees, and attach their annual report as an addendum.

Resources provided by the State Bar of Michigan in support of committee work:

The Civil Discovery Court Review Special Committee receives support from Katie Hennessey and Carrie Sharlow. SBM provided the following resources to the Special Committee:

-- Financial support under the Governmental Relations budget;
-- Support preparing for meetings, including polling for meeting dates and times, scheduling meetings, providing teleconference numbers, preparing and circulating materials for meetings;
-- Created and Implemented Stakeholder Outreach Plan;
-- Drafted messages to stakeholder organizations and bar members soliciting feedback on rule proposals;
-- Tracked and organized rule feedback;
-- Assisted RA in organizing review of rule proposal;
-- Organizing committee and subcommittee meetings and reporting on progress of meetings;
-- Assisted with subcommittee feedback on comments; and
-- Assisted with drafting RA proposal.
Committee Activities:

Once the Committee approved the September 25, 2017 draft report and proposal, these materials were distributed to Representative Assembly (RA) members. Committee Chair Dan Quick presented the civil discovery project to the RA at its September 28, 2017 meeting and invited members to review the materials and submit any feedback to the Committee.

After the Committee had presented the draft proposal to the RA, the Committee conducted expansive outreach to relevant stakeholders. The Committee made the draft report and proposal publicly available to all State Bar members and invited them to submit comments and offer feedback. In addition, the Committee requested feedback from almost 50 stakeholder organizations, including relevant State Bar sections and committees, special purpose bars, local bar associations, and other organizations.

Based on its extensive outreach efforts, the Committee received feedback from a diverse range of perspectives, including solo practitioners, large corporations, law firms, bar associations, State Bar sections and committees, and organizations representing specific components of the judicial system. After a review of the proposal, the following organizations expressed general support for the proposal:

- Michigan District Judges Association
- Michigan Judges Association
- Michigan Creditors Bar Association
- Michigan Defense Trial Association
- State Planning Body
- Legal Services Association of Michigan
- SBM Alternative Dispute Resolution Section
- SBM Business Law Section
- SBM Civil Procedure & Courts Committee
- SBM Criminal Jurisprudence & Practice Committee
- SBM Negligence Section

In addition to general support for the proposal, a number of individuals and organizations offered feedback. Although some organizations certainly have differing opinions on aspects of the proposed rules (which are noted in the proposal itself, where applicable), all of the comments have been carefully considered by the Committee in drafting the final proposal under consideration by the RA. In addition, the Committee solicited further feedback from subcommittee members with specialized knowledge of certain areas of the rules. Notably, no organization, section, or committee has voted to oppose the proposal.

To add to the Committee’s outreach efforts, the RA also conducted its own internal review. RA Chair Joseph P. McGill encouraged all members to review and provide feedback on the draft proposal. Intensive review efforts were conducted by the RA Drafting Committee, the RA Special Issues Committee, and individual RA members.

On March 10, 2018, the Committee submitted its final proposal to the RA for consideration at its April 21, 2018 meeting.
Future Goals and Activities:

The Committee will present the rule proposal at the RA’s April 21, 2018 meeting. Assuming that the RA approves the rule proposal, the Committee will work with SBM to submit the proposal to the Michigan Supreme Court for its consideration.
The 46 Committee and subcommittee members engaged in the civil discovery court rule review project have contributed significant time, energy, creativity, and insightful ideas throughout this process. The Committee and subcommittees consist of a diverse range of lawyers, including appellate, circuit, and district court judges, legal academics, solo practitioners, small and large law firm litigators, and legal aid attorneys. Included among the members are experts in court rule amendments, civil discovery, and alternative dispute resolution; members who have served in leadership positions in the SBM Board of Commissioners and Representative Assembly; and various leaders of SBM sections and committees as well as affinity bar associations.

The Committee and subcommittees have worked diligently to meet tight time deadlines and remain committed to dedicating the resources needed to present an innovative and insightful proposal to amend the Michigan civil discovery rules to the Representative Assembly.

Throughout this project, members have focused on finding civil discovery solutions that fit the specific needs of Michigan. Members have not only focused on lowering costs and increasing efficiency of civil discovery, but they have also remained dedicated to creating a civil discovery system that is fair and increases access to justice for all, including the most vulnerable citizens of this State.

REPORT Future Goals and Activities:

The committee agreed that this year’s experience was worthwhile and served two clear purposes: (1) it provided valuable insight to members into the important work of the committees and work groups under our jurisdiction; and (2) we were able to ensure that the activities of such committees and work groups remain laser focused on the strategic goals of the State Bar.

Looking to the 2018-2019 bar year, it seems both of these purposes may be accomplished with a more streamlined process. The future goal of this committee is to do exactly that, streamline the process. Therefore, this committee will recommend to the BOC that a Communications and Member Services Steering Committee for the 2018-2019 bar year be formed however, schedule only one meeting, early in the bar year, probably in October or November. We would also ask that steering committee to review the proposed structure, goals, objectives, and activities of all committees and work groups under its jurisdiction, and ensure that all of these continue to align with and advance the strategic goals of the State Bar. From that point through the remainder of the bar year, the Communications and Member Services Committee Commissioner committee would oversee the activities of the committees and work groups. However, in the spring, steering committee members would receive draft copies of the annual reports and will be invited to provide feedback.

In adopting this proposal, we meet the two purposes outlined in the first paragraph above and, in addition, we provide a mechanism for State Bar members who are not commissioners to continue serving a role in ensuring that the State Bar’s work with respect to the bar journal, professional education and events, public outreach, awards, and communications always align with, support, and promote the State Bar’s strategic plan.

Prepares agendas and minutes and posts to SBM Connect prior to the meetings.

Prepares tables summarizing nominees’ accomplishments as applications are received. Conducts simple background checks on nominees before names are submitted for consideration. Compiles nominations for book to be printed for committee members. Creates and sends online survey to committee members to help streamline the decision-making process during the final teleconference by determining the extent of support for each nominee prior to the commencement of formal discussions and to ascertain the early formation of consensus from the Committee as a whole for the various nominees both within the designated award nomination categories and as to the category in which each will be considered when the Committee confers and votes upon the award recommendations.

Writes scripts for how Awards banquet should proceed. Writes speeches for SBM presidents to present awards. Works with banquet facility to set up production portion of banquet. Drafts and designs an event program for the Annual Meeting Awards Banquet.
Committee Activities and Strategic Goal Accomplishments:
Please list each accomplishment/activity, and indicate which strategic plan area it supports by checking the corresponding boxes.

Committee members seek high quality nominations for SBM awards from other members and bar associations. For the coming year’s awards cycle, which started Oct. 1, 2017, and ends at the 2018 Annual Meeting at the end of September in 2018, where the awards will be handed out, there are 34 nominations to consider. Of these nominations, the committee can recommend eight award recipients.

Liberty Bell nominations have not yet been received. Local and special purpose bar associations send their local Liberty Bell Award winners on to the State Bar for consideration. Most of these bar associations present their Liberty Bell Awards on Law Day, on or around May 1 each year. So the deadline for them to nominate winners is later in May.

In the last year’s cycle, commencing at the 2017 Annual Meeting, the Committee gave out awards to eight Michigan attorneys, and the Liberty Bell Award to one non-attorney (awards were not selected prior to the due date of last year’s annual report).

2017 Award Winners:
Roberts P. Hudson Award: Gerard Mantese
Frank J. Kelley Award: Hon. Robert Holmes Bell, Hon. Bernard A. Friedman and Barbara L. McQuade
Champion of Justice Award: Michael C. McDaniel and Hon. Kelly Ramsey
Kimberly M. Cahill Award: Patrick J. Wilson
John Reed Award: Professor Alan S. Schenk
Liberty Bell Award: Annemarie Conway

Committee members review nominations submitted by other attorneys, as well as local and special purpose bar associations, and decide which nominees to recommend become award recipients. When doing so, they are always very aware of the importance of diversity and inclusion among award winners, and whenever possible they strive to grant awards to diverse nominees.
Future Goals and Activities:

The committee members work very hard every year to seek out nominations and ensure that they are submitted by the nomination deadlines. An important goal of this committee is to also make sure that the quality of the award recipients is always outstanding and that the winners represent diversity and inclusion in the legal profession. The committee will continue to work to achieve these goals into the future.
Other Information:
In addition to any other important information, please indicate the titles of any workgroups or subcommittees, and attach their annual report as an addendum.

Note: The Awards Committee has one co-chair ex-officio as the Vice President of the SBM Board of Commissioners. The second co-chair is the operating co-chair appointed by the President of the SBM Board.

REPORT Future Goals and Activities:

This committee will meet again in the spring via teleconference for an update on all events and the progress of the work groups. We will also review any new developments in the Practice Management Resource Center to evaluate the need for a work group in that area.

Mentorship Work Group:
The work group has had one conference call to discuss the goal of assessing what mentor programs are currently active in Michigan. They will develop and conduct a survey of all local bar associations, law schools and ancillary groups to identify current mentor programs. Once complete, this work group will follow-up with each program so that we can link their information to the SBM website.

Large Meetings Review:
This committee will take this effort up in the next fiscal year.

The indexing tool will address, as they arise, needs for revision of such materials, consolidation of redundant information, removal of obsolete materials, and/or creation of new materials.
Committee Activities and Strategic Goal Accomplishments:
Please list each accomplishment/activity, and indicate which strategic plan area it supports by checking the corresponding boxes.

### K-12 Programs:
Three major initiatives for 2017-2018: (1) review Law Day and Constitution Day curricular materials available to affinity bars, schools, and attorneys at michbar.org, and make updates and improvements to such materials, where necessary; (2) build a lasting collaboration with the Diversity and Inclusion Advisory Committee (DIAC) with respect to K-12 pipeline programs including Face of Justice and other jet mentoring opportunities; (3) create and post to michbar.org webinar videos in support of Constitution Day, and promote these among K-12 schools, affinity bars, the Hall of Justice Learning Center, the MCCE, and similar entities.

### Michigan Legal Milestones (MLM):
(1) Complete the 41st MLM -- To recognize Michigan as the first English-speaking jurisdiction to abolish capital punishment. In collaboration with the Detroit Bar Association, host a luncheon, present, and mount the 41st MLM plaque. Update michbar.org with appropriate materials concerning the 41st MLM.

(2) Prepare for submission to the SBM Board of Commissioners in 2018 a recommendation for the 42nd MLM, to be finalized and mounted in 2019. The proposed 42nd MLM will recognize Senate Bill 31 of 1857. Under this bill, enacted into law on Valentine's Day 1857, Michigan's indigent defendants were guaranteed the same punishment. In collaboration with the Detroit Bar Association, host a luncheon, present, and mount the 41st MLM plaque. Update michbar.org with appropriate materials concerning the 41st MLM.

### Public Outreach Resources:
Identify, review and index all materials intended for a lay audience or the general public maintained on michbar.org and/or in printed form by the SBM. Survey SBM staff, committees, and sections to identify and locate any additional such materials. Maintain an indexing tool to track all such materials. The indexing tool is intended to help the POEC address, as they arise, needs for revision of such materials, consolidation of redundant information, removal of obsolete materials, and/or creation of new materials.

### High School Mock Trial National Finals Exploratory:
This workgroup is exploring the feasibility of submitting a letter of intent, by the January 15, 2019 deadline, to host the 2021 national finals. It is anticipated that between 40-45 states will participate, each sending between 10-12 students plus family members. This requires massive numbers of volunteers, including judges and support staff. The host will need to guarantee a minimum of 350 hotel rooms, 25 court rooms or their equivalent, and a venue for an awards ceremony with a minimum 900-seat capacity, as well as ground transportation, food and beverage, logistics support, a convenient nearby airport, hundreds of volunteers, and funding in the range of $500,000. Should the workgroup determine that such an event is feasible for 2021, it will submit a proposal to the SBM Board of Commissioners no later than the BOC's September 2018 meeting, asking for the SBM's endorsement.

Resources provided by the State Bar of Michigan in support of committee work:

Staff contacts chair to schedule meetings and sends future meeting dates via email to committee members. Prepares agendas, meeting minutes and other materials and posts to SBM Connect prior to the meetings. Sends meeting reminders to better ensure a quorum.

Works with SBM Connect Workgroup members in the planning and drafting of a plan to better utilize the automated features of SBM Connect to better welcome, communicate with, and build relationships with new members to sections. This plan starts with the preparation of 13 automated messages that will be emailed to members of the SBM Young Lawyers Section at various stages of the membership process - for example, a welcome message right after they've joined the section, a message to add profile information and a photo to SBM Connect if they haven't done so within three weeks of joining, and then additional messages highlighting all the member benefits and resources they have access to because of their section membership. Once approved, staff will program SBM Connect to automatically send the appropriate messages to section members on a predetermined timeline, should the right condition exist (to send a message prompting a member to add a profile photo if they haven't done so, for example).

Works with Social Media Workgroup to update the information page on michbar.org that mentions and links to the agencies of the attorney and judicial disciplinary system in Michigan to include descriptions, written in plain English, that explain what each agency is and does, to serve as a resource for reporters and members of the general public. Develops a series of tweets targeted primarily at reporters, but doubling for the general public, that explain aspects of the disciplinary system and process and points people to the information page on michbar.org for the information. Once this process is done, staff will continuously post tweets referring to the disciplinary resource page, to provide timely and relevant information to reporters and the general public.
Committee Activities and Strategic Goal Accomplishments:
Please list each accomplishment/activity, and indicate which strategic plan area it supports by checking the corresponding boxes.

REPORT Future Goals and Activities:

The committee will continue to work to improve usage of SBM Connect automation tools for sections, rolling out the plan that has been developed for the Young Lawyers Section, and then working with other sections to customize automation to suit their section's purposes.

The committee will finish developing a plan to update the page that currently only contains the names of and links to the disciplinary agencies on michbar.org, to add brief explanations about what each of them is and what they do, to provide a resource where lay people - especially reporters - can find quick, simple answers to their questions. The committee will also develop tweets to continually alert reporters and the general public to this resource page, and thus information about how the system functions.

The committee will consider vetting the role of the SBM as a law source for media and the public.
Other Information:
In addition to any other important information, please indicate the titles of any workgroups or subcommittees, and attach their annual report as an addendum.

The work of this committee is the work of its collective workgroups, and is contained in the report above.

Resources provided by the State Bar of Michigan in support of committee work:

Review committee applications and suggest members for I & I, poll for meeting dates, work with chair to draft agendas, organize meetings, provide meeting materials, draft minutes, draft Annual Report. Attend to in-person venue needs and teleconference facilitation.
Committee Activities and Strategic Goal Accomplishments:
Please list each accomplishment/activity, and indicate which strategic plan area it supports by checking the corresponding boxes.

Prioritize work of committees and initiatives within scope and assess whether goals of Strategic Plan are being met. Committees and initiatives: Delivery of Legal Services to All Committee, Access to Justice Initiative, Affordable Legal Services Initiative, Lawyer Referral Service Initiative, Diversity and Inclusion Advisory Committee, Law School Deans Committee, Past Presidents Committee.

Decide and communicate priorities of new projects to Delivery Committee: Limited Scope Representation Implementation, Justice Innovation Guidelines, Independent Tech Audit, Modest Means Implementation, Consistent Fee Waiver court rule amendments, ODR/ADR, Implicit Bias, LRS and online marketplace.

Assist in enlisting more volunteers to carry out work.

Receive reports from Delivery & Initiatives and DIAC re progress toward goals. Progress is reflected in Annual Reports of committees and initiatives.
REPORT Future Goals and Activities:

A clear difficulty with the new Implementation and Innovation Steering Committee structure is that there are too many layers, and the priority work (e.g. limited scope representation implementation forms, education, panels, evaluation) is occurring five levels into the structure. This has created the need for more meetings, which is not efficient. An interim remedy is needed, and is currently being brainstormed and discussed.

Committee Activities and Strategic Goal Accomplishments:
Please list each accomplishment/activity, and indicate which strategic plan area it supports by checking the corresponding boxes.

The need for Justice Innovation Guidelines was discussed at the Delivery of Legal Services for All Committee. As new innovations and technology is introduced in the justice system, it is important to assure that the innovations increase access to justice. We discussed the work previously done in Michigan and the work being done nationally. The committee determined that developing guidelines was important because of the number of new technologies being introduced and thought it made sense to develop something that the field could start using. However, the Delivery Committee also discussed continuing to learn from the national work and consider modifying the guidelines as best practices and learning develops.

JI Guidelines finalized and forwarded to the Delivery Committee for its consideration at its April 6 next meeting.
Other Information:
In addition to any other important information, please indicate the titles of any workgroups or subcommittees, and attach their annual report as an addendum.

The Justice Innovation Guidelines were specifically proposed in the 21st Century Practice Task Force Work Product, resulting in an initial draft of the guidelines. The JI Guidelines Committee took the initial draft and made significant edits, incorporating recent developments on the national level. The significant work product of the Justice Innovation Guidelines is currently being reviewed by the Delivery of Legal Services for All Special Committee for its anticipated support. The principles proposed in the JI Guidelines will provide guidance to all justice system stakeholders who develop or implement new efficiencies or innovation to ensure the promotion of fairness, efficacy, and efficiency of justice system innovations and to assure that the rights and needs of justice system users are respected and preserved.

State Bar of Michigan
Modest Means Lawyer Referral Service Pilot Program
Overview statement developed by work group
December 19, 2017

The Modest Means Program is a State Bar of Michigan pilot program that targets clients who can't afford an attorney at the current market rate but who can pay a reduced rate to a Modest Means participating attorney. To begin, this program will operate through the Bar’s Lawyer Referral Service and focus on family law and Chapter 7 bankruptcy cases, with an eye on expansion into many other areas of practice. To qualify, a participant must earn at or below 200% of the federal poverty guidelines to receive a referral to a modest means family law attorney at the reduced hourly rate of $75/hour with a retainer of $750. The same income level is used to qualify for a Chapter 7 bankruptcy at a flat fee of $500. The hope of the State Bar is to bridge the gap between clients qualifying for legal aid services or other programs for low-income people and those that can pay market rate for an attorney. Besides serving the needs of the public, this program will permit attorneys to satisfy the State Bar’s Voluntary Pro Bono Standard. This program will also provide an opportunity for newer attorneys (to the practice or even just the particular practice area) to gain more experience, build rapport with other lawyers, judges, and clerks, and improve their skills, while representing a greatly underserved area of the population in our State. It provides an opportunity for more experienced lawyers to break into a new practice area, with new clientele. For each group, it provides the potential for income and is a good way to give back to the community.

Additional note: This work group continues to look for additional case types and possible flat/reduced fee rates.
