Other Information:

In addition to any other important information, please indicate the titles of any workgroups or subcommittees, and attach their annual report as an addendum.

This is the first year for this committee. The committee is largely composed of former members of the Justice Policy Initiative, Criminal Issues Initiative, and the Domestic Violence Committee, as well as a number of new members.

The committee considers a wide breadth of public policy items, including criminal, civil, domestic relations, and juvenile issues. The committee has been able to review a large number of public policy items due to the members' commitment to the committee and preparedness for meetings. Prior to committee meetings, the committee assigns liaison teams tasked with researching a particular public policy item and presenting a recommendation to the committee during the meeting. The liaison reports have been thoughtful and thorough, which is ultimately reflected in the quality of the committee's recommendations to the Board.

The diversity on the committee has also contributed to many thoughtful discussions on public policy items.
