**Additional Comments:** The work of the standing committee, and the district committees under its supervision, is mandated by the Supreme Court pursuant to Rule 15, Section 1, Supreme Court Rules Concerning the State Bar of Michigan. The committee is charged with investigating and making recommendations with respect to the character and fitness of every applicant for admission to the bar, by bar examination and, upon request of the BLE, the character and fitness of any other applicant for admission. The time commitment required to conduct formal hearings and monitor the applicant processing system is enormous. The committee would be unable to function without the dedication, professionalism, and hard work of its members. It is a tribute to the legal profession that among its members are so many people who give substantially of their time to ensure that persons admitted as lawyers in Michigan are worthy of public trust. The standing committee is unique in that all members are appointed yearly, with no term limits. At the conclusion of FY 2021, the committee lost 127 collective years of experience, and, with an abundance of gratitude, thanks Robert B. Ebersole, who served on the district and then standing committee from 1984–2021 and served as the committee’s chair from 2005–2021; Boyd E. Chapin, Jr., who served on the district and then standing committee from 1985–2021; David G. Chardavoyne, who served on the district and then standing committee from 1992–2021; and Linda M. Galbraith, who served on the district and then standing committee from 1996–2021.
