STATE BAR OF MICHIGAN | 2017-2018 COMMITTEE ANNUAL

REPORT Future Goals and Activities:

The Committee continues to identify issues of interest to Michigan lawyers based on questions presented by letter or through the ethics helpline that might be the appropriate subject of an opinion either because the topic has not previously been addressed, changes in the area requires updates to existing opinions, and innovative use of technology to enhance the delivery of legal services. The Committee continues to review the Michigan Rules of Professional Conduct and proposed amendments to make appropriate recommendations. To the extent that the Committee's input is sought by the Board of Commissioners, the Representative Assembly, or the Supreme Court on discrete issues or projects, the Committee stands ready to respond with appropriate research and commentary.

The Committee performs most of its work through project workgroups that are formed as needed during meetings. With the assistance of staff, each project workgroup meets as needed to engage in research, discussion, and workproduct drafting to present to the Committee for review and approval. The Committee is engaged in an ongoing project to prepare FAQs on various social media platforms that are now more commonly being used by lawyers for communication about their law practice and/or with prospective and current clients. The Committee continues to review the use of technology by lawyers in their law practices and the ethical duties associated with such use.

The Committee's other scheduled quarterly meetings for this bar year are scheduled for April 6, 2018, June 1, 2018. The Committee has also reserved August 10, 2018, if a special meeting is needed to complete any ongoing projects or address new matters requiring attention before its fall meeting during next bar year.
