A special thank you to the following for their donations and time: Pat & Christine Nolan; The Victim Witness Staff of the Muskegon County Prosecutor's Office; Parmenter O'Toole; Bob Engel; Judge James Graves; Tom Andrews; Ladas & Hoopes; Judge Michael Nolan; Jim Kobza; Jordan Mundt; Williams, Hughes & Cook; Cara Fisher; Judge Maria Ladas-Hoopes; and Jennifer Hyl-land.

Payback can be tough, or a blessing. For many area kids, *your* payback can be a ticket to a better life to an area child.

Through Big Brothers/Big Sister of the Lakeshore, you can share career - decisions you made early on, what and where you studied—with area kids who have few other windows into their possible futures.

And you can do it electronically.

“E-mentoring is a quick and easy way to share your career with a high school student who has expressed interest in your profession,” said Brian Obits, CEO of the local BB/BS Lakeshore. “All correspondence is made

directly by e-mail and no face-to-face contact occurs.

According to Mr. Obits, Big Brothers Big Sisters of the Lakeshore carefully selects volunteers to ensure they are responsible and committed to being an E-mentor.

“It's easy and fun! Most E-mentors send and receive one e-mail a week,” Mr. Obits said. “You will have the opportunity to share your experiences from your profession and help guide a young person along your career path.”

E-mentoring starts by answering 7 questions:

1. Where are you employed?
2. What is your position

and responsibilities?

3. How long have you worked in this field?

4. What schooling was required for your position?

5. What school did you attend?

6. Why did you go into this field of work?

7. What do you want to share with a high school student about your career
