# Managing Keller

The following information regarding mandatory bars and how they manage Keller related activities was compiled by State Bar of Michigan between February 2014 and May 2014. This was a significant research initiative to support the Michigan Supreme Court Task Force on the Role of the State Bar of Michigan. As information was gathered, executive directors from several state bars expressed an interest in receiving this compilation of material. We are pleased to share this information with those who find it useful. Please note that the State Bar of Michigan does not update this compilation as policies and statutes change in various states. Users are encouraged to check with the state bars directly to learn of any relevant changes.
