## MICHIGAN BAR APPLICATION PROCESS OVERVIEW

The Affidavit of Personal History is the Character & Fitness portion of the bar application. It includes thirteen question and answer sections:

*Identification*  
*Educational Background*  
*Residence History*  
*Employment Background*  
*Military Background*  
*Attorney Licensure*  
*Other Licensure*  
*Licensing Discipline/ Unauthorized Practice of Law*  
*Business Involvement*  
*Civil Litigation*  
*Financial History*  
*Criminal History*  
*General Fitness*

Your responses, typed into an electronic questionnaire, will create the following application forms:

*Application to Sit (F-1)*  
*Affidavit of Personal History (F-3)*  
*Waiver & Release*  
*Request for Law School Certifications (F-11a & b)*  
*Bar Applicant Reference Letters (F-12)*

After reviewing and finalizing the questionnaire, you will be directed to the eCommerce page to pay the appropriate exam and investigations fees. A payment receipt will be generated for your records and e-mailed to the address provided on the payment page. After payment, the next step is to initiate the Character & Fitness review by printing, completing and distributing the following forms as instructed. The final instructions and forms should be visible to you immediately after paying fees.

*\*Waiver and Release*  
*F-11 (a & b) Law School Form Letters*  
*F-12 Personal Reference Form Letters*

**\*Be advised** that the Character & Fitness investigation will not commence until your signed and notarized, Waiver and Release form has been received at the State Bar of Michigan.

*The signed and executed Waiver and Release must be received at the State Bar of Michigan within two weeks of electronic application submission and fee payment, in order for the Character & Fitness processing to begin.*

After the Waiver and Release has been received by the Character & Fitness Department, we will mail forms and fingerprint cards to you for criminal and driving history requests. Applicants are responsible for requesting required reports and documents from third-parties in a timely manner. The only component of obtaining third-party information that an applicant can control is the timeliness of the information request. It is strongly recommended that you request this information as soon as possible. Character & Fitness review cannot be completed prior to receiving all third-party information.

As the third-party information is received at the State Bar of Michigan, you will be preparing for the Bar Exam. The Board of Law Examiners will mail the exam admission packets, to your *permanent address*, during the first week of the exam month.

The majority of applicants will receive a letter notifying them of the status of their Character and Fitness recommendation after taking the bar exam. In order for the investigation process to be timely completed, it is critical that your contact information remains current, with both the Board of Law Examiners, and the Character and Fitness Department, and that you promptly respond to all requests for additional information that you may receive.

Under [Michigan Supreme Court Rules](#), investigation of character and fitness is the initial responsibility of the State Bar Standing Committee on Character and Fitness, which after its investigation, forwards its recommendation to the State Board of Law Examiners. **The State Board of Law Examiners makes the final decision as to whether a particular applicant is qualified for admission to practice law in Michigan.**

### CHARACTER & FITNESS CERTIFICATION

The completion of your character and fitness certification is directly affected by your cooperation in promptly providing requested information. A certification of the requisite character and fitness is valid for three years. If you are not approved for admission by the State Board of Law Examiners within that time, you may be required to retake the bar examination. If your character and fitness certification expires you will be required to complete a new Affidavit of Personal History, pay all applicable fees, and be recertified for character and fitness.

### Applying for the Michigan Bar Exam

The *Application to Sit for the Michigan Bar Exam* (F-1) and *Affidavit of Personal History* (F-3) will be generated by the responses typed into an electronic questionnaire. A link to the Michigan application has been provided on [Step 2](#).

**The Application to Sit for the bar exam, the finalized Affidavit of Personal History, and all required fees must be submitted electronically.**

- The MBE scaled score you achieved.

## RE-EXAM AND TRANSFER

**\*\*DEADLINES APPLY\*\***

Applicants for re-examination, and those who wish to transfer their application to another examination, must notify the State Board of Law Examiners **in writing**

At any time prior to the exam date, applicants may send written notification to the Board of Law Examiners that they wish to **transfer** to a future exam. Once certain of the exam date to which you would like to transfer, send a letter, *with the transfer fee*, directly to the Board of Law Examiners. Requests for transfer to a specific exam date, must be submitted at least **60 days prior** to that exam date. See the fee schedule on page 5.

With the exception of those applicants with an expired Character and Fitness certification, unsuccessful examinees, eligible for Certified Official Results, will also receive an **Application for Re-examination**. Written requests for a duplicate Application for Re-examination form must be mailed to the BLE. **The completed Application for Re-examination form must be submitted with the proper fee to the Board of Law Examiners 60 days prior to the exam for which you wish to sit.**

An applicant is ineligible to register to re-take the bar exam if he/she has not received *Certified Official Results* from the BLE.

Please note that notifying the Board of Law Examiners of your wish to transfer to another exam, or to completely withdraw from the Michigan exam, will not stop the Character & Fitness process. It is not required that you withdraw from the Character & Fitness process if you wish to transfer to a future exam. To stop the investigation portion of the process, you must also notify the Character & Fitness Department, in writing. Refer to the fee schedule on page 5.

The forms discussed in this section will be generated using the information entered into the electronic application. The forms may be previewed as PDF documents prior to finalizing the application questionnaire.

**AFFIDAVIT OF  
PERSONAL HISTORY (APH) - F-3**

**\*\*DEADLINES APPLY\*\***

The Affidavit of Personal History (APH) (Form F-3) is used by the State Bar Standing Committee on Character and Fitness to determine your fitness to be recommended for admission to the Bar pursuant to [Rule 15, Supreme Court Rules Concerning the State Bar of Michigan](#) and [Board of Law Examiners, Rule 2](#). Additional information, a personal interview, or a formal hearing may also be required.

District Committee interviews, when required, are generally scheduled in March and April for the February examination, and in August and September for the July examination. Failure to appear for an interview may result in an adverse recommendation or your file being closed. Refer to [Rule 15, Supreme Court Rules Concerning the State Bar of Michigan](#) and [Standing Committee Rules of Procedure](#) for more information.

Answer each question carefully and with complete truthfulness and candor, disclosing all requested information. After answering all questions, and reviewing for accuracy, the application is ready to be “finalized”. ***Once the application has been “finalized”, changes cannot be made to the electronic application.***

If, for any reason, you object to answering any question on the Affidavit of Personal History, you should immediately send a letter to the State Bar of Michigan, Attention: Chairperson, Standing Committee on Character and Fitness, citing the specific legal grounds for the objection and ask for a ruling. Your letter should reference the pertinent question number.

Until the date of your admission to the State Bar of Michigan, you have a continuing obligation to inform the Standing Committee on Character and Fitness if any of the answers on your Affidavit of Personal History change or cease to be true. If events occur after your application materials are submitted that would change an answer to any Affidavit question, you must promptly amend and supplement your Affidavit by submitting the new information on an [F-6 Supplemental Answer Sheet \(Step 3\)](#).

Misrepresentations and nondisclosures on the Affidavit may be considered a more reliable indicator of present character and fitness than difficulties that occurred in the past.

**SUPPLEMENTAL ANSWER SHEET  
F-6**

If you feel that a response needs further explanation, a fillable F-6 is available at [Step 3](#). This completed document should be mailed to the State Bar of Michigan with your Waiver and Release.

After your application has been electronically submitted, the F-6 form is used to provide updates to Affidavit of Personal History questions: 1, 4-21, 24-47, and 52-56; and may be used for responses to Character & Fitness staff inquiries.

**ADDRESS OF RECORD – C&F Inquiries**

Character & Fitness correspondence will be mailed to the applicant’s **current** mailing address, (APH, Question 2). Additionally, routine inquiries may be sent to the e-mail address provided on the APH, (Question 3). Report updates to your **current** mailing address by using the [Change of Address form](#).

**LAW SCHOOL CERTIFICATION - F-11a/b  
QUESTIONS 19/20**

The Request for Law School Certification form letters (Forms F-11a/b) are used to request that

your law school certify both your graduation and your character and fitness. These forms are generated from the information entered for **Question 19**, Part II Educational Background, and provided as part of the information provided after successful application submission through the eCommerce module.

If you also entered a law school in response to **Question 20**, you must print an F-11 from the State Bar website ([Step 3](#)) and complete it manually. Applicants are responsible for sending the F-11a and F-11b to their law school(s) as applicable.

Law schools receiving an F-11a form will send a letter certifying graduation to the Board of Law Examiners once you have completed graduation requirements. The State Board of Law Examiners will not release bar exam results without this letter.

Additionally, character and fitness certification is required from every law school you have attended, including those at which you were a guest student or enrolled only for summer or foreign study. Michigan law schools are familiar with this letter and the State Bar requirement. After you submit the F-11(b) form to your law school(s), they will send a letter to the Character & Fitness Department, certifying your character and fitness during your enrollment.

## RESIDENCE HISTORY QUESTION 22

The purpose of this question is to compile your *Residence* history – which is not necessarily the same as a history of your mailing addresses. Provide the address of each residence at which you lived, for a period of three months or more, since age 18. Include all addresses used for schooling, business, or any other temporary purposes, and the time period that those addresses were used. All dates should be entered in month/year to month/year format (MM/YR to MM/YR). An **F-4 form** consisting of the entered residence history information will be generated as a supplement to your Affidavit of Personal History.

**Note:** The **F-4u form** on Step 3 is to be used for residence updates, omissions and corrections.

**Note:** The **Change of Address form**, also on Step 3, is used to change your current mailing address with the Character & Fitness Department.

**Note:** If your new residence address is also your new mailing address, please submit both forms.

## What if you cannot remember the complete address for your residence history?

Please be as specific as possible by providing all available information to the best of your ability. For example, if you do not recall the dormitory or apartment number, indicate the street address or dormitory name with the city and state. Do not provide mailing addresses, but rather the addresses of the places where you actually resided.

## EMPLOYMENT HISTORY QUESTIONS 23/24

List all part-time and full-time employment and account for periods of unemployment. Additionally, list all internships, externships and volunteer work you have performed on at least a part-time basis for a period of two weeks or more, and designate same by checking the appropriate box located on the electronic application. All time since high school graduation, or age 17 if you earned a GED, must be accounted for in this section.

Supply the physical address of your employer, where it was located at the time you were employed; do not use the address of corporate headquarters.

All dates should be entered in month/year to month/year format (MM/YR to MM/YR). An **F-5 form** that includes the entered employment history information will be generated as a supplement to your Affidavit of Personal History.

**Note:** The **F-5u form** on Step 3 is to be used for employment updates.

## What if you cannot remember the complete address of a workplace?

Please be as specific as possible by providing all available information to the best of your ability.

## What if you cannot remember all of your employment history?

The Social Security Administration, past resumes, and tax records are all good research resources.

### PART VI – ATTORNEY LICENSURE

#### Questions 33, 34 and 35 Certified Copies and Certificates of Good Standing

If you have ever applied to practice law or to take a bar examination in any other jurisdiction, including the Federal courts or the US Patent and Trademark office, you must request a certified or authenticated copy of all such applications.

You must request that the licensing agency forward a certified or authenticated copy of your application directly to the Character & Fitness Department at the State Bar of Michigan. If the application is no longer on file with the licensing agency, the agency with record-keeping responsibility must provide a statement to this effect.

The same procedure applies to Certificates of Good Standing. If you have ever been licensed to practice law in any other jurisdiction, including the Federal courts or the US Patent and Trademark office, you must request that each jurisdiction mail a Certificate of (Good) Standing, together with a statement either certifying that you have no discipline record or describing in detail any discipline record and pending charges, directly to the Character & Fitness Department.

### CRIMINAL SUPPLEMENTAL ANSWER SHEET - [F-7](#) QUESTIONS 48-51

This form will be generated for each positive response to any question in Part XII - Criminal History. Detailed information required for each incident includes the following:

- **Date of Arrest/Incident**
- **Underlying Factual Circumstances**

- **Issuing and/or Arresting Agency, including complete mailing address**
- **Nature of Charges**
- **Court, including complete mailing address**

### REFERENCE LETTERS - F-12 QUESTION 56

You are required to list the names of five individuals who have known you continuously for the immediately preceding five years and can attest to your character and fitness. Your relatives, through blood or marriage, may not serve as a reference; however, your references may be related to each other. You must supply a written explanation if a reference person has not known you for the required five-year time period, and ask for a waiver of that requirement (the [F-6](#) may be used for the waiver request). The request for a reference waiver must be submitted to the Character and Fitness Department with your Waiver and Release document.

Reference letters are considered to be third-party information and are to be completed using the form letters provided for you to print after application fee payment. Only in the event of a lost form or a change in reference, we will accept an F-12 form printed from the State Bar of Michigan website ([Step 3](#)).

Reference letters may be returned to you for forwarding to the State Bar of Michigan or sent to us directly by the reference writer. Only reference letters with original signatures will be accepted; to verify this, references must sign their letter in **BLUE INK**.

**TO PROPERLY EXECUTE  
THE WAIVER AND RELEASE THE  
NOTARY MUST WITNESS YOU SIGN  
THE HANDWRITTEN STATEMENT.**

Show the notary picture identification proving your identity. Read the Waiver and Release, write out the acknowledgment statement (Question 57) and then sign the Waiver and Release in front of the notary. The notary must sign, date and include his or her commission expiration date on the document. It is not required that you use a Michigan notary. The Waiver and Release with your original signature, must be mailed/delivered to the State Bar of Michigan, within two weeks of electronically submitting fee payment and your application. **\*\* Note: The Character & Fitness process will not begin until the Waiver and Release has been received at the State Bar of Michigan. \*\***

***CERTIFICATION PROCESS - THIRD-PARTY INFORMATION CHECKLIST***

This form is included with the documents generated after application completion and successful fee payment through the eCommerce module. It is provided as a checklist for the third-party and supplemental information which you are required to request and submit to the Character & Fitness Department to complete your Affidavit of Personal History. Additional information about third-party reports and requests is included in the instructions on the next section (Step 3).

Forward the original third-party correspondence and reports, such as reference letters, criminal history and driving records, to the Character & Fitness Department as soon as you receive them. Documents not written in English must be transcribed and notarized.

You are responsible to follow-up with third parties and retain copies of your correspondence in order to ensure that all materials are received timely. Keep our office informed in writing of problems and explanations for delay.

**APPLICATION  
UPDATES AND SUPPLEMENTS**

Your answers on the Affidavit of Personal History are considered as continuing to be true until the date of your admission to the State Bar of Michigan. If any answer or portion of an answer ceases to be true, you have a continuing obligation to immediately inform the Standing Committee on Character and Fitness. All updates must be submitted in writing using the [F-4u](#), [F-5u](#), [F-6](#), [F-7](#) and [Change of Address](#) forms, as appropriate.

**EXAM & INVESTIGATION FEES**

The majority of fees must be paid electronically. VISA and MasterCard are accepted. Please see the Fee Schedule on Page 5 for a complete list of fees and acceptable forms of payment. **Personal and Business Checks are NOT accepted.**

**RECEIPT CONFIRMATION**

A receipt for fee payment and application submission will be sent to the email address provided during the payment process.

To confirm receipt of supplemental application materials and updates, submit them by certified mail, return receipt requested, and/or include a postage-paid, self-addressed postcard or envelope that will be date-stamped and returned to you.

After reviewing these instructions, please [click here to begin the electronic application.](#)

**After the application has been completed, finalized and electronically submitted, to initiate the Character & Fitness review process, see the checklist, instructions and PDF documents provided on the application module.**

**At this point, the following items should have been addressed.**

1. Completed the Michigan Bar Application questionnaire at the State Bar of Michigan website
2. Electronically submitted your finalized bar application, bar exam fee and investigation fee
3. Mailed your executed Waiver and Release form to the Character & Fitness Department/State Bar of Michigan

5. Distributed your reference form letters (F-12) to your references
6. Reviewed the Third-Party Information Checklist

**REMEMBER –**

It is recommended that information from third parties be requested *no later than* June 1st for July examinees and January 1st for February examinees.

**Applicants are permitted to sit for one Michigan bar exam prior to attaining Character & Fitness approval.**

**DRIVING RECORDS &  
CRIMINAL HISTORY REPORTS  
Forms F-9, F-14 and F-14NR**

All applicants are required to provide *criminal history reports and driving records* from every state, including District of Columbia and other U.S. possessions, **in which you have lived, worked, attended school or visited/vacationed, for more than two consecutive weeks, including those states that you regularly traveled\* between (minimum of 14 days out of 30 consecutive days), during the *ten years preceding* the date of your Affidavit of Personal History.**

Additionally, you are responsible for providing an *Affidavit of Criminal History (F-9) for each foreign country in which you have lived, worked, attended school or visited/ vacationed for more than two consecutive weeks, including those countries that you regularly traveled\* between (minimum of 14 days out of 30 consecutive days), during the *ten years preceding* the date of your Affidavit of Personal History.*

**\*Note:** *An explanation of the circumstances causing frequent travel between states/countries must be provided on a separate [Form F-6](#).*

State-specific forms will be mailed to you within a few weeks of your Waiver and Release being accepted by the Character & Fitness Department. A record repository listing, located at the end of these instructions, has been provided to assist you in obtaining criminal and driving reports. **If after receiving the initial packet of forms from the C&F Department additional forms are needed, please submit your request via e-mail [cfquestionsforms@michbar.org](mailto:cfquestionsforms@michbar.org).** Your e-mail should include the state(s) for which you need forms and your *mailing* address.

**NOTE:** Criminal and driving reports will be rejected if issued more than **6 months prior** to the submission date of the Affidavit of Personal History (F-3).

## MICHIGAN and FBI CRIMINAL HISTORY REPORTS

All applicants are required to provide fingerprint based criminal history reports from the Michigan State Police and the FBI. The process for obtaining criminal history reports from Michigan and the FBI is as follows. **Please note that there are separate procedures for applicants in Michigan and for out-of-state applicants.**

### Applicant Notification and Record Challenge

Officials at the governmental institutions and other entities authorized to submit fingerprints and receive FBI identification records under this authority must notify the individuals fingerprinted that the fingerprints will be used to check the criminal history records of the FBI. The officials making the determination of suitability for licensing or employment shall provide the applicants the opportunity to complete, or challenge the accuracy of, the information contained in the FBI identification record. These officials also must advise the applicants that procedures for obtaining a change, correction, or updating of an FBI identification record are set forth in Title 28, C.F.R., § 16.34. Official making such determinations should not deny the license or employment based on information in the record until the applicant has been afforded a reasonable time to correct or complete the record, or has declined to do so. (Title 42, U.S.C., § 14616, Article IV (c); Title 28, C.F.R., § 50.12 (b))

### 28 CFR §16.34 Procedure to obtain change, correction or updating of identification records.

If, after reviewing his/her identification record, the subject thereof believes that it is incorrect or incomplete in any respect and wishes changes, corrections or updating of the alleged deficiency, he/she should make application directly to the agency which contributed the questioned information. The subject of a record may also direct his/her challenge as to the accuracy or completeness of any entry on his/her record to the FBI, Criminal Justice Information Services (CJIS) Division, ATTN: SCU, Mod. D2, 1000 Custer Hollow Road, Clarksburg, WV 26306. The FBI will then forward the challenge to the agency which submitted the data requesting that agency to verify or correct the challenged entry. Upon the receipt of an official communication directly from the agency which contributed the original information, the FBI CJIS Division will make any changes necessary in accordance with the information supplied by that agency.

## LIVESCAN FINGERPRINT – Residents: F-14/MSP RI-030

This is the form and instructions to be used by applicants, who are physically in Michigan, to obtain Michigan State Police and FBI criminal history clearances.

1. Use the information on [Form F-14/MSP RI-030](#) to schedule a fingerprint scanning appointment. Make this appointment with a Live Scan vendor approved by the Michigan State Police ([http://michigan.gov/msp/0,1607,7-123-1589\\_1878\\_8311-237662--00.html](http://michigan.gov/msp/0,1607,7-123-1589_1878_8311-237662--00.html)). Other Live Scan sites may be available through the sheriff or local police departments.
2. Take the [F-14/MSP RI-030 form](#) with you to your scanning appointment. A tracking number (TCN) will be issued to locate a fingerprint report in the rare circumstance that it does not get routed to our office properly.
3. The completed F-14/MSP RI-030 form, with your original signature, **must be submitted to the Character & Fitness Department** and may be submitted after your Affidavit of Personal History. This form will satisfy the Criminal Clearance Right to Review (CCRTR) application processing requirement.
4. MSP/FBI criminal history reports are sent directly to the State Bar of Michigan by the Michigan State Police.

Your character and fitness cannot be completed until all records are received, therefore, record requests should be made as soon as possible; agency processing may take several weeks. We recommend that information from third parties be requested ***no later than*** June 1 for July examinees and January 1 for February examinees.

**LIVESCAN FINGERPRINT –**  
**NonResidents: F-14NR/MSP RI-030**  
**Applicants currently outside of Michigan.**

If you are living outside of Michigan **at the time of filing the Affidavit of Personal History**, you may submit a completed fingerprint card and fee to a [vendor approved by the Michigan State Police](#). The vendor will scan the provided fingerprint card and transmit your information to the Michigan State Police (MSP) for processing. An FBI fingerprint card (FD-258) and an [F-14NR/MSP RI-030](#) form are required to obtain your Michigan and FBI criminal clearances. **Both will be mailed to you by the C&F Department after your Affidavit of Personal History has been accepted.**

1. The same fingerprint card will be used to obtain criminal history records from both the MSP and the Federal Bureau of Investigation.
2. Follow all completion instructions provided with the F-14NR/MSP RI-030 form. This form is available on [Step 3](#) of the State Bar website (an FD-258 fingerprint card will be provided by our Department). **You will need 2 copies of the completed F-14NR/MSP RI-030.**
3. After completing the F-14NR/MSP RI-030 and fingerprint card, go to a local law enforcement agency in your jurisdiction, to have your fingerprints added to the card. There may be a service fee for fingerprinting. **Do not leave the card with the law enforcement agency.**
4. Mail the fingerprint card, processing fee and one copy of the F-14NR/MSP RI-030 form the [MSP approved vendor](#) (See the F-14NR/MSP RI-030 form for instructions.)
5. Sign the duplicate copy of the F-14NR/MSP RI-030 form and submit it to the State Bar of Michigan, Attn: Character & Fitness Department. **Do not include a fingerprint card.** This form will satisfy the Criminal Clearance Right to Review (CCRTR) application processing requirement.
6. If needed, FD-258 cards are available at most police stations/posts and on the [FBI website](#).

**CRIMINAL HISTORY REQUEST**  
**(STATES OTHER THAN MICHIGAN)**

All applicants are required to provide criminal history reports from every state, including District of Columbia and other U.S. possessions, in which they have lived, worked, attended school or visited/vacationed for more than two consecutive weeks, including those states that you regularly traveled between (minimum of 14 days out of 30 consecutive days), during the ten years preceding the date of your Affidavit of Personal History.

Most states have a specific form that must be used to request records. State-specific forms and fingerprint cards, if required, will be mailed to you within a few weeks of your Waiver and Release being accepted by the Character & Fitness Department.

**Consult the State Record Repository chart, at the end of this document, to determine:**

- (1) if records are provided;
- (2) the fees, if any;
- (3) the repository address; and,
- (4) if additional forms/fingerprint cards are required.

If the repository listing states **“Fingerprints Required”**, you must submit fingerprints with your request—a name search is not acceptable.

**Some states will send reports to the Applicant. You may keep a copy for your records, however, please forward *original* third-party reports to the State Bar as you receive them.**

**AFFIDAVIT of CRIMINAL HISTORY**  
**STATES: Criminal History Reports Not provided**  
**F-9**

There are a few states that will not release criminal history reports for bar application purposes. This information is noted on the State Records Repository chart. If you need to submit a criminal history report from a nonparticipating state, you must satisfy this requirement by completing an Affidavit of Criminal History, **Form F-9**.

In each Affidavit (F-9) you will attest to the status of your criminal history (as defined in Questions 48 through 51 on the Affidavit of Personal History) in that state. **Each Affidavit (F-9) must be signed and notarized.**

**AFFIDAVIT of CRIMINAL HISTORY**  
**Foreign COUNTRY Criminal History Reports**  
**F-9**

You are not required to request a criminal history report from foreign countries. **However**, you are **required** to complete Form F-9, Affidavit of Criminal History, for each foreign country in which you have lived, worked, attended school or visited/vacationed for two consecutive weeks, including those countries that you regularly traveled between (minimum of 14 days out of 30 consecutive days), during the ten years preceding the date of your Affidavit of Personal History.

In each Affidavit (F-9), you will attest to the status of your criminal history (as defined in Questions 48 through 51 on the Affidavit of Personal History) in that country. **Each Affidavit (F-9) must be signed and notarized.**

**F-9 forms are available on Step 3, and may be submitted with your Affidavit of Personal History.**

**CERTIFIED DRIVING RECORDS -**  
**Request for Driving Records**

You are responsible for obtaining a **certified** copy of your driving record for each state (including District of Columbia, other U.S. possessions and Ontario, Canada) in which you have lived, worked, attended school or visited/vacationed for more than two consecutive weeks, including those states that you regularly traveled between (minimum of 14 days out of 30 consecutive days), during the ten years preceding the date of your Affidavit of Personal History. With the exception of Ontario, Canada, you are not required to request a driving record from foreign countries.

Most states have a specific form that must be used to request records. We will mail state-specific forms to you within a few weeks of your Waiver and Release being accepted by the Character & Fitness Department.

- **You must obtain a certified driving record even if you did not possess a driver's license or drive while in that jurisdiction.**
- **Uncertified driving records and records that are more than six months old will be rejected.**
- **Many states allow requests for driving records to be made through their websites, please note, that records printed from websites will only be accepted if they are certified.**

**Consult the State Record Repository chart, at the end of this document, to determine:**

- (1) applicable fees;
- (2) which state-specific form should be used; and,
- (3) repository contact information (weblinks are provided for most states).

***Note:*** *Ontario, Canada is the only foreign country from which you must submit driving records.*

Your character and fitness cannot be completed until all records are received, therefore, record requests should be made as soon as possible; agency processing may take several weeks.

**Some states will send reports to the Applicant. You may keep a copy for your records, however, please forward *original* third-party reports to the State Bar as you receive them.**

### STATUS LETTERS

#### Correspondence from C&F Department

“Status letters” are issued by the Character & Fitness Department to alert you to third-party documents which have not been received for your application, such as, reference letters, criminal and driving reports. Missing documents should be followed up on as appropriate.

As needed, the status letter is also used to request further explanation of information provided on your Affidavit of Personal History. **You must respond to this request in writing**, using an F-6 supplemental answer sheet. The F-6 form may be mailed to the Character & Fitness Department or sent by e-mail attachment to the writer of the status letter.

Your cooperation with providing necessary documentation is essential for the Character & Fitness process to be completed. Neglecting to respond to correspondence from the Character and Fitness Department by the given due date, may result in *your file being closed*.

### APPLICATION WITHDRAWAL

The Character and Fitness investigation, including your responsibility to respond to correspondence from our office and timely provide information updates, will continue until your date of admission to the State Bar of Michigan. **Failure to respond to the Character & Fitness Department may result in your file being [CLOSED due to non-cooperation](#).**

Applicants must petition the Standing Committee on Character and Fitness for approval to re-open a closed file. Petitions must be notarized, and include all outstanding documents and responses. If the Committee approves the Petition to Re-Open, the Applicant must pay a \$200 re-open fee.

As circumstances warrant, an applicant may choose to “WITHDRAW” his or her Character and Fitness application (Affidavit of Personal History). A file may be withdrawn by submitting written notice to the Character and Fitness Department, via email or letter. Once written notice is received, all investigative work ceases. A file may be reactivated by submitting a written request to the Character and Fitness Department and paying the re-open fee, unless more than three years have passed since the date the Affidavit of Personal History was executed. In that instance, a new Affidavit of Personal History, including all fees and third-party information, will be required.

Withdrawing your Affidavit of Personal History from the Character and Fitness process will NOT automatically cancel your seat for the Michigan bar exam. Applicants are allowed to sit one time prior to receiving Character and Fitness approval. However, applicants passing the bar exam will not be eligible to receive *Certified Official Results* until their Character & Fitness has been certified. To withdraw from the exam and/or formally “transfer” your Application to Sit from the current exam to a future exam, you must notify the Board of Law Examiners in writing (see Re-Exam and Transfer instructions on page 8). This notification will allow your reserved seat for the bar exam to be opened for another applicant.

**PLEASE NOTE:** Reactivated files (Affidavit of Personal History) are investigated on the same time table as the incoming applications for the current exam.

**SUPPLEMENTAL DOCUMENTS REQUIRED  
FOR SPECIFIC QUESTIONS ON THE  
AFFIDAVIT OF PERSONAL HISTORY**

Depending on your responses to the following questions, you are required to submit supplemental documentation. Documents should be requested from third-parties and submitted to the Character & Fitness Department as soon as possible after submitting your bar exam application.

*Please note: Additional documents may be requested by Character & Fitness staff.*
