

Hello _____,

Pro Bono Month 2018 is right around the corner! I hope you are already in the process of planning and promoting your events for this year's pro bono celebration.

As you probably know, for the 10th year in a row, the State Bar of Michigan has designated October as Pro Bono Month. The State Bar's Pro Bono Month website recognizes pro bono events in October, as well as events in September and November.

According to our records, your organization has hosted Pro Bono Month events in past years. For this year's Pro Bono Month celebration, we hope that you are planning to host events and make Pro Bono Month 2018 the biggest and the best Pro Bono Month ever! In 2017, there were more than 45 Pro Bono Month events in Michigan. This year, our goal is to surpass the 50 event mark, but we need your help to make that happen. For event ideas, check out the list of pro bono events that were held in 2017. [Pro Bono Month Events in 2017](#)

You can also visit www.michbar.org/probono for information about Michigan's ongoing commitment to promoting and supporting Pro Bono Month events all across our great state. You can also find suggestions for planning events that are sure to attract pro bono attorneys interested in volunteering with your organization. The website also has links to talking points for Michigan's "Now more than ever—pro bono is more than just the right thing to do" theme.

And please, make sure you register your Pro Bono Month events with the State Bar of Michigan so we can promote and publicize your event on the State Bar's Pro Bono Month website. Registering your event is easy! Simply register your event by selecting the link below.
