

## 2025 DIRECTORY OF MICHIGAN ATTORNEYS

For those who prefer the convenience of a printed book, the State Bar of Michigan is offering the 2025 Directory of Michigan Attorneys. This hands-on reference book lists active Michigan attorneys' contact information — including address, phone number, fax number, and email address. Please note: This book is exclusively attorney contact information and does not include detailed court listings or other similar information. Of course, the most up-to-date information is always available in the online Member Directory at [michbar.org](http://michbar.org). We heard from some of you asking for the option of a printed directory — so we listened. Order your copies today!

- Price subject to change without notice. No refunds.
