the 2017 April Alphabetical Roster Edition or the April Resource Directory

The SBM recognizes that many members and their support staff find it more convenient to use the familiar print directory rather than the Internet to find contact information for Michigan-licensed attorneys. If you rely on the print directory, be sure to order copies of the 2017 Alphabetical Roster Edition for your office today!

What's Included:

- Alphabetical roster of Michigan-licensed attorneys, including address, phone, fax, and e-mail addresses of active, emeritus, inactive, and affiliate members of the State Bar of Michigan
- Information from the new Resource Directory, including Michigan and Federal Courts, Tribal Courts, Michigan Government listings, Lawyer Associations, Michigan Law Schools, Lawyer Discipline Summary, and Fields of Practice listings

A portable, essential Resource Directory will be sent to members who currently opt-in to receive the *Michigan Bar Journal* April issue. A digital version of the Resource Directory will be available as part of your *Michigan Bar Journal* online subscription, with extra copies available for \$10. Use this form to order extra copies of the Resource Directory.

The April Resource Directory Contains:

- Comprehensive contact information for courts (information not readily available in one place)
- Michigan state government contact information
- Local government contact information
- Lawyer associations contact information
- Classified legal services advertising marketplace
- Valuable display advertising
