PLEASE NOTE YOUR QUALIFICATION FOR JOINING THE SECTION:

Several Sections of the State Bar offer membership to non-Bar members whose area of business is aligned with the Section area of practice, yet are neither attorneys, paralegals, or law students.

All non-Bar member applications are subject to review by the State Bar and individual Section's council as required by the Section's bylaws to ensure that the applicant is appropriately employed within the field of practice as described by the bylaw requirements.

The dues billing cycle for non-Bar members is aligned with the Bar year, October 1 through September 30. New member applications are accepted year round, and dues amounts will be applied to the current Bar year.

Regarding non-Bar member renewal procedures, please note that it is not possible to pre-pay dues for concurrent Bar years. Membership must be renewed annually via application and dues amounts submitted timely, by November 30 of each year, unless an extension has been provided for by the State Bar and the Section.
